## IMPORTANT INFORMATION

Waters Landing Drive Survey Now Open

The Waters Landing Association is pleased to announce that the community survey on the proposed speed hump plan for Waters Landing Drive is now open. We need your input and we're asking you to complete it by next Tuesday, May 12th.

# Updates from the Waters Landing Association

## May Landscaping & Community Updates

### Seasonal Cleanup

Our landscaping team will be conducting the spring cleanup this month. This includes:

- Bed and curb weeding (hand weeding/chemical application)
- Mowing and trimming of turf areas
- Edging of walkways and curbs
- Ornamental tree and shrubbery inspection/treatment (as needed)
- Spring pre-emergent, broadleaf weed control, and fertilizer application for turf areas

## Basketball Court Expansion

Great news! The basketball court expansion is coming along beautifully, with fresh asphalt already in place. The hoop will be installed soon, along with court striping—get ready to start shooting!

## Pool Bathroom Renovation

Our pool bathrooms are currently undergoing a fresh upgrade. We're taking a little extra time to ensure everything is just right so you can fully enjoy the improved space this season.

## Covenants Inspections

We're beginning comprehensive inspections throughout Waters Landing. To help residents prepare, Management previously shared a list of the most common items that typically result in violation notices.

## Exterior Modification Applications Information

The Board is currently working through a regulatory matter with the Montgomery County Commission on Common Ownership Communities (CCOC). This involves AERC guidelines and review procedures, including fence height regulations. While this matter is under review, owners should refer to the previously approved guidelines—dated March 1987.

## Pool Passes

Don't wait until the last minute—apply for your pool passes now and be ready to dive into the season!

**Why is it important to attend the Board of Directors Meeting?** Residents are encouraged to attend the Board of Directors meeting to stay up to date on important decisions affecting the community. By participating, residents can learn about upcoming projects, new policies, and financial matters that may impact the neighborhood. Meetings also provide an opportunity to ask questions during the open forum, share feedback, and better understand what is happening in the community. Staying informed and involved helps residents remain connected and engaged with the decisions that shape where they live.

# Manage & Pay Your Charges & Assessments Online

We provide a convenient and secure way for you to manage and make payments online through **ClickPay**. Get started by following the instructions listed below.

Step 1

## Creating Your Profile

Visit [www.ClickPay.com/FirstService](http://www.ClickPay.com/FirstService), click **Register**, and then create your online profile.

### Account Already Exists?

If you receive a message stating that an account already exists, you have already been pre-registered within ClickPay. Click the link within the activation email sent to you or simply request a password reset link to gain you access to your existing profile.

Step 2

## Connecting Your Property

Enter the FirstService Residential account number found on your statement or coupon and the Last Name listed on the property agreement.

### Last Name Entered Not Working?

Try the co-owner's last name or, if a business, the full name of the business associated with your unit.

### Direct-Debit Users

If you're looking to gain access to your existing automatic ACH Direct-Debit profile transition to ClickPay, you will be required to verify your banking details associated with this payment schedule.

## Lookup Address

Step 3

## Make a One-Time Payment

From the home screen, confirm your payment amount and then click **Continue**.

### Programs & Activity Ideas for Memorial Day

---

Memorial Day is a federal holiday in the United States dedicated to remembering the people who died while serving in the country's armed forces. The holiday, which is observed every year on the last Monday of May, was formerly known as Decoration Day and originated after the American Civil War to commemorate the Union and Confederate soldiers who died in the war. By the 20th century, Memorial Day had been extended to honor all Americans who died while in military service.

(Source: [en.wikipedia.org](https://en.wikipedia.org))

If you or members of your Program Planning Committee are still looking for ideas, here are a few samples of Memorial Day-themed activities and programs you might wish to consider.

#### Memorial Day - Programs

- **A Hero's Tribute—Honor Flag & Ribbon Procession or Parade:** The Memorial Day parade is a time-honored tradition across America, where neighbors come together to remember those who sacrificed so much for our country proudly. As a Memorial Day tribute honoring veterans and active-duty members of the military, host a parade or "Honor Flag & Ribbon" Procession through your community. To engage families, consider promoting bike riders of all ages to join too! In accordance with the congressional resolution passed in 2000, all attendees might also be asked to pause at 3:00 p.m. local time for a moment of silence to remember and honor the fallen.
- **Giving Back for Soldiers:** Getting your community involved in a social purpose effort is always a great way to celebrate this holiday. There are a few ways to get involved with Operation Gratitude this year; one is the #Courage4Heroes movement. This movement helps show America's Frontline Responders how grateful we are for their courage as they spend countless hours and days fighting COVID-19. Visit: <https://www.operationgratitude.com/>. Watch the tutorial and learn how to say "Thank you for your Courage" in American Sign Language, and then record a video of yourself then share your video. You also might consider virtually volunteering to support deployed troops, national guardsmen, first responders, and emergency medical personnel on the frontlines of the pandemic.
- **Create Patriotic Chalk Art:** Get all the kids involved to create a patriotic-themed mural, or even just write out a simple thank you to our veterans and honoring those who have fallen using sidewalk chalk. Drive around and capture photos or ask residents for submissions to post on your social media platform.
- **Watch the Memorial Day Concert:** The National Memorial Day Concert features uplifting musical performances, documentary footage and dramatic readings that honor the military service of all our men and women in uniform and their families at home. One of PBS' highest-rated programs featuring an all-star lineup, the multi-award-winning television event has become an American tradition. This year tune on Sunday, May 28 at 8:00 p.m. ET. Streaming live on [this page](#). Here are a few [FAQ's](#) regarding this show.

- **The Memorial Day Poppy:** Come Memorial Day, red poppies are worn as a sign of remembrance. The Friday before Memorial Day is considered [National Poppy Day](#). Learn more About the Symbolism behind Memorial Day Poppies by [clicking here](#). Consider encouraging your community to make their own and wear them. Ask them to post pictures on the social media platform of your choice to show their support. [Click here](#) to learn how to make your own.
- **Memorial Day Flowers:** You can pay your respects to the fallen troops with a donation to Memorial Day Flowers, a national foundation that places a flower on the graves of soldiers. The Memorial Day Flowers Foundation (MDFF) helps families remember their heroes by placing a flower at gravesites. Volunteers pay tribute to those who served, honor their families, and bring back the meaning of Memorial Day. For more information visit: <https://www.memorialdayflowers.org/>
- **Memorial Day Movie Salute to the Troops:** Films that memorialize the struggles of war abound. Copies of these movies can easily be obtained by online streaming or rentals. Hosting a virtual movie night, or hosting a longer series of war-themed films for interested homeowners throughout the week that precedes the Memorial Day holiday, might be planned in remembrance of the sacrifices made by US troops. The Internet boasts a number of films your community might consider: *Saving Private Ryan*, *Black Hawk Down*, *The Hurt Locker*, *The Patriot*, *Pearl Harbor*, *The Alamo*, *Courage Under Fire* and *Good Morning Vietnam* are a few examples. [Here is a great listing](#) and don't forget to try searching on [Tubi TV](#) for free-themed movies for your residents to watch in the comfort of their homes.
- **Memories of My Loved Ones:** Memorial Day is an appropriate time for homeowners with interest to come together to share special memories and photos of their loved ones and ancestors who have passed, particularly those that died in service to their nation. Consider asking residents to email or upload photos to your social media platform or website and create an album to share with the community.
- **Fly your Flags!** Show your love for America by hanging Old Glory in your front yard. But before you get ahead of yourself, make sure you're following the proper etiquette and guidelines in the U.S. Flag Code established by Congress in 1942 and check to make sure you are abiding by community guidelines.
- **Moment of Silence:** No matter where you live in the country, take a moment of silence at 3 p.m. local time for The National Moment of Remembrance. For at least one minute, send your thanks, love, and prayers to active soldiers, veterans, and the many men and women who died serving our country.
- **Take a Washington, D.C. virtual/in-person tour-** If you are in close proximity, consider taking an in-person trip to our nation's capital to see its memorials to fallen soldiers. If not, you can still get a pretty good tour via the Internet. [Washington.org](#) or [this site](#) have some great 360-degree tours, so you can pick and choose which [landmarks to explore—without](#) the crowds!
- **Holiday Weekend Backyard Campout:** If you have a big green space and maybe a fire pit consider this idea for the holiday weekend. Residents are encouraged with their families to pitch a tent and sleep under the stars for the night. To enhance the experience, perhaps add in a themed outdoor movie, s'mores, nighttime scavenger hunts, food trucks and more. If that concept doesn't work, you could ask participants to camp out in their backyards or build a fort in their living rooms. Participants

can pick up a “campout kit” full of games and themed crafts and/or consider hosting a few games virtually. The possibilities are endless and so is the fun!

- **Help Build a Home for a Veteran:** Consider partnering with [Building Homes for Heroes®](#) which is a non-profit determined and devoted to bringing renewed hope to our nation’s injured veterans. The organization builds or modifies homes and gifts them, mortgage-free, to injured veterans and their families while providing support services to enable them to build better and brighter lives and reach new heights. It’s truly an honor to serve the men and women who have courageously served and sacrificed for our country.
- **Promote Veteran-Owned Business:** Consider sending out or formally creating an outing for your residents at a local business owned and operated by veterans or military families. [Click here](#) to find a master list of veteran-owned businesses covering everything from hardware stores to fine dining.
- **Write Letters to Soldiers and Their Families:** To remind your youngsters of the importance of this holiday, get them engaged in impacting the lives of others. Consider having them write handwritten notes to active American soldiers and veterans. Once your letters are complete, bring them to any [A Million Thanks](#) drop-off locations to guarantee a safe, speedy arrival.
- **Kids Crafts:** Consider hosting a kid’s craft or two leading up to the holiday. Set the date, and time and send out the supply list. [Click here](#) for a few ideas with supplies that could be around the house. Or contact a local instructor to facilitate a class.

## **About Us**

### **WE ARE THUNDER...**

The first Waters Landing Swim Team was organized in 1985, and competed in the Gaithersburg-Germantown Fun League through the 1988 season. During these first few seasons the team was known as the "Waters Landing Aquatics Swim Team" and team colors were purple and white. In 1989 the team joined the Montgomery County Swim League (MCSL), changed its name to "Thunder", and changed team colors to red and black. During Thunder's first five years in the MCSL the team compiled an enviable 25-0 record in dual meets - quite a feat considering that some years the team had barely enough swimmers to fill all lanes! As the Waters Landing Community has grown however, so has our swim team. The team has more than doubled in size, seen its first swimmers graduate from college, and continues to welcome a whole new group of "8 and Thunders". The team also has a history of having been well supported by our parents. Week after week, season after season, people have stepped forward to do the many jobs necessary for the meets to run smoothly. It is truly a key ingredient to our team's success.

While the team has been awarded many trophies over the years, our primary goal remains what it has always been: to provide a fun, safe, community-based activity, where children can develop a love for the sport of swimming, and in which all members of the family can participate. All of us who work behind the scenes are looking forward to another great season.

Our team stresses fun, fitness and safety through competitive swimming. Waters Landing Thunder swim team extends a sincere thank you to the Waters Landing Homeowners Association for their support of our swim team. Their financial support enables us to have a thriving team of approximately 140 swimmers, develop student coaches, and maintain a consistent experienced coaching staff. Our community recognizes the importance of creating a positive family atmosphere where our children can develop their swimming skills, overall confidence, and lasting friendships. Maintaining a swim team requires many diverse skills and can be a lot of work, but at Waters Landing we always find a way to make it an enjoyable experience for the whole family.

## Wildlife Help in Montgomery County Through The Second Chance Wildlife Center: What to Know

If you find an injured, sick, or orphaned wild animal, there's now a dedicated place to turn. The Second Chance Wildlife Center in Clarksburg is officially Maryland's first and only licensed veterinary hospital exclusively for wildlife.

The Center treats more than 2,500 animals each year, including birds, small mammals, and reptiles, and is open for patient admissions daily from 10 a.m. to 4 p.m., including weekends and holidays.

What you should do:

- Do not attempt to treat or keep wildlife yourself.
- Limit handling and keep the animal in a quiet, secure container.
- Contact a licensed wildlife rehabilitator as soon as possible.

The Center's new facility allows for advanced medical care like surgery, x-rays, and specialized rehabilitation, helping more animals recover and return to the wild.

NOTE OUR NEW ADDRESS (26400 Haines Road in Clarksburg!)

Always call our hotline at 301-926-9453  
before heading to our facility.

Our hours are Monday-Sunday 10am – 4pm

Holiday Hours: 10am-1pm Thanksgiving, Christmas and New Year's Day

# County Investing Nearly \$10 Million in Sidewalk Construction

By Patrick Herron

Published April 24, 2026 at 7:50AM | Updated April 24, 2026 at 8:18AM

Travilah Elementary School

The Montgomery County Department of Transportation is advancing its spring sidewalk construction schedule, with approximately 10 miles of new sidewalks in planning or under construction across the county.

This includes 30 projects totaling six miles through the Annual Sidewalk Program, as well as additional projects under the Safe Routes to School program that combine sidewalk construction with safety improvements such as crosswalks and signage. The county is also proposing 2.7 miles of sidewalks to improve access to the future Purple Line, with an overall investment of nearly \$10 million aimed at enhancing pedestrian safety and connectivity.

Officials say the projects are designed to close gaps in the sidewalk network, improve access to schools, transit, and community resources, and support alternative transportation options. MCDOT evaluates hundreds of sidewalk requests each year using criteria that prioritize safety, proximity to key destinations, and equity considerations. Community input is also incorporated into project planning, with public feedback helping guide design decisions and determine whether projects move forward.

The sidewalk projects currently in the construction phase under SRTS include:

## **Germantown**

### **Martin Luther King Middle School**

A total of approximately 0.5 miles (2,700 linear feet) of five-foot-wide concrete sidewalk is being constructed around Martin Luther King Jr. Middle School, Lake Seneca Elementary School, and Waters Landing Elementary School walksheds in the following locations:

- Wanegarden Drive: Between Lake Seneca Elementary School and Wynnfield Drive
- Waldorf Drive: Between Wisteria Drive and Wynnfield Drive (east side of roadway only)
- Teakwood Lane: Between Willow Cove Manor driveway entrances, connecting gaps between existing sidewalks
