The Association has contracted with High Sierra Pools, a professional pool management company, to oversee the operation of the pools. The Pool Manager and their designated lifeguards are responsible for the operation of the pools.

MANAGEMENT AND AUTHORITY: Instructions given by the pool staff must always be followed. The pool management company holds final authority in the enforcement of all pool rules and regulations.

The following rules and regulations are in place to govern the use of the Waters Landing Association swimming pools. Their purpose is to ensure the safe and sanitary operation of the pool facilities while maximizing enjoyment for all residents. All residents and their guests are asked to carefully review and follow these rules. Your cooperation with the pool staff helps ensure that the pools remain safe and enjoyable for everyone.

Failure to comply with and of the stated rules may result in removal from the Pool for the remainder of the day. Repeated offenses may result in the removal of access to the pool for the season.

PERSONAL RESPONSIBILITY: While using the pool area, pool users assume full responsibility for their own safety. The Association and pool management are not liable for any illness, accident, or injury that may occur, nor for any loss or damage to personal property. Any damage to Association property will be charged to the party responsible.

HOURS OF OPERATION: The pool schedule is available on Resident Connect and the Association’s website. If lightning or severe weather is present or approaching, the pool may be temporarily closed and will remain closed until the storm has passed. If unfavorable weather conditions are forecasted for the day or if there are any operational issues, the pool may be closed.

PASSES:

1. Each eligible resident will be issued an E-Pass* which is downloaded to their smart phone wallet.
2. All members and guests are required to have their E-Pass scanned to gain entrance to both pools.
3. At the beginning of the pool season, each household will receive ten (10) complimentary guest passes that will automatically loaded to their E-Pass.
4. Each adult pool member will be allowed to have a maximum of two (2) guests per day. Each teen pool member will be allowed only one (1) guest per day.
5. Each additional guest pass is \$5.00. Guest passes must be purchased online.

* An E-Pass card may be obtained from the HOA office in lieu of having the downloaded electronic card. The card will function the same as the electronic E-Pass card for access to the pool.
