WATERS LANDING ASSOCIATION, INC.
Qualification Statement for Board of Directors Candidate

Name: Mark Sagarin

Address: Afternoon Lane Germantown MD 20874

Have you ever been involved in a Homeowners Association or similar community service organization? If so, describe including positions held & length of service.

I have served as a Board member at Christopher Court Condominium in Montgomery Village. I was President of that Board from 2005-2016. I was Treasurer from 2017-2020.

What background or experience do you have which would qualify you for a Director position (education, organizations, occupation, attending Waters Landing meetings, etc)?

I attended most of the WLA Board meetings in person and on Zoom since moving here in 11/2018. I have volunteered with dog rescue for over 20 years. In 2010 my wife and I helped to start All Shepherd Rescue and have been very active ever since. Through MCPL and the Gilchrist Center I have been volunteering to teach conversational English to immigrants since 1/2006.

What are your reasons for seeking nomination to the Board of Directors (goals, ideas, etc.)?

I strongly believe that serving our community is very important. For my 20 years in Maryland I've done all I could to help build a sense of community where we live. I would like to help us utilize all the wonderful assets here in Waters Landing to make our community better than ever.

Other comments or ideas:

I've met so many great people in our 3 years here in Waters Landing. I look forward to meeting many more in the years to come. A position on the Board would help this and to reach more people who are also interested in making our community shine,
