Values

Services

- **HR Fundamentals & Framework** - With the use of our HR Inventory we survey and assess the client's foundational practices, benefits, and tools to create a priority and compliance based gap analysis.
- **Policies/ Practices/ Programs/ Tools** - We create/update employee handbooks, policies, and practices that fit the size and industry of the company. Providing user friendly tools and creating customized programs provide clients just what they need to start or manage annual or every day programs.
- **Employee Concern Management** - We support the organization, leaders and employees when concerns are raised: investigation support, remedy recommendation, and coaching/counseling
- **Project Management** - With the use of project plans and project management best practices, we help clients achieve their goals & objectives by providing tools, coaching, and resources.
- **Resume / Interview skills** - We support individuals and organizations with all facets of the hiring process, including resume and interview basics.
