**ThriveWise**  
SOLUTIONS LLC

## Purpose & Priorities

Commit to the development of thriving leaders | Advance talent development & cultural design approaches | Embrace our promise: To enable you to thrive

## Values

## Services

- **HRIS Design Support** - As organizations grow in size and employee numbers, an integrated HRIS design that includes Key Performance Indicators (KPIs), relevant employee data, timely and useful reporting, process mapping, and RACI models are needed to take operational pressures off of lean HR teams. We guide, support, and get into the details with clients to help them fulfill their HRIS objectives and get their return on system investments.
- **Transformations and Restructuring** - Whether for a single department or overall organization, we provide guidance, coaching, and hands on support for HR and Leadership going through the growing pains of transformation and restructuring.
- **THRIVE Leadership / Coaching** - Throughout our Build, Grow, Thrive workshops or custom solutions, we offer leadership and employee development through assessments, personalized development plans, and/or coaching & counseling. When employees thrive the organization thrives!
