Dear Sponsor,

The **Granite State Blues Society (GSBS)** would like to offer for your consideration an exciting way to become part of our society and annual festival always held on the first Saturday of August. This year it is Saturday 8/5/23. We are seeking corporate and personal sponsors for our 20th Blues Festival benefiting children's charities in NH and our 3rd annual **Blues on the Range festival**. A one day festival, rain or shine, bringing the blues to this sweet venue; **Marty's Driving Range** in beautiful Mason NH. We are planning an exciting lineup and look forward to you joining us.

The Granite State Blues Society is an affiliate of the Blues Foundation located in Memphis, TN. Our mission is to celebrate Blues music and expand awareness of the blues as a uniquely American art form. Through performance and education we expand awareness of the music and performers, past, and present. The Granite State Blues Society is an all volunteer grassroots organization and the work we do comes from our love of Blues Music. We achieve this through promoting blues artists, shows and events throughout the local area, a blues education program, blues challenge and our annual blues festival.

The GSBS is a **501c3**, therefore, we rely on generous donations and sponsorships from individuals and local businesses to help us achieve our goals. We have compiled some exciting thank you packages for our sponsors (attached). We hope as you review the packages you will see one which best fits your needs and entices you to support the GSBS and our big blues community. To improve your festival experience with the Granite State Blues Society we will provide a shade tent for our generous sponsors. We will provide the tax ID # and other necessary information.

We hope we can count on your support to continue to grow and the success of our blues festival depends upon generous donations and sponsorships. If you'd like more information or to speak with us about this exciting opportunity, please contact us at info@granitestateblues.org or shashablues603@gmail.com
