To Whom it May Concern,

The Granite State Blues Society is an affiliate of the Blues Foundation located in Memphis, TN. Our mission is to celebrate Blues music and expand awareness of the blues as a uniquely American art form. Through performance and education we expand awareness of the music and performers, past, and present. We achieve this through promoting blues artists, shows and events throughout the local area, a blues education program, a blues challenge and our annual blues festival. The work we do comes from our love of Blues music and we are all *VOLUNTEERS*.

We are seeking corporate and personal sponsors for our 23rd annual Blues Festival. This festival benefits NH children's charities and our first annual festival was in 2002, initially supporting the Webster House in Manchester we have recently included the Nashua Childrens home the last few years as well. The date is Saturday, August 1, 2026. We would like to offer for your consideration an exciting way to join our blues family by becoming a sponsor of our annual blues festival. We are a **501c3** and we rely on generous donations and sponsorships from individuals and local businesses like yourself to help us achieve our goals. We have compiled various levels of support packages for our potential sponsors (attached), our way of saying thank you and we appreciate you. As the donation increases so does our commitment to ensure we give the recognition deserved to our local community. We hope as you review the packages you will see one which best fits your needs and entices you to support us.
