*back to 1986. The Norse hold a commanding advantage in this series by winning 65 of the 80 games played.*

*Perhaps the most significant game historically in this series was the 1942 game. Although the Norse triumphed easily in their 25-6 win, Scottville managed a late TD against the Norse reserves to become the first team to cross the Norse goal line in 16 games.*

*Years later longtime NM schoolteacher and AD, Homer VanHoosen, said: " you would have thought we lost the game when the players walked off the field at the end of the game."*

(Hart, Montague, Montague & Shelby)	1936	7	14	
NM has won 61 of the 86 games played.	<b>1937</b>	<b>38</b>	<b>0</b>	
	<b>1938</b>	<b>32</b>	<b>6</b>	

The Norse handed Shelby a lopsided 41-7 defeat in 1953 over the Tigers and their star player Dave Whitsell. The future NFL star who, led the NFL in interceptions in a single season, also was a member of the Chicago Bears World Champions in 1963.

*From 1937 until Shelby scored a TD in 1946 the Norse shut out the Tigers in 7 consecutive games*

*In the 1950 game time was called with the Norse inside the Shelby 1 yard line. Tiime was kept on the field by one of the of the officials as no school in the WMC had a scoreboard with a running clock until the 1950s. The ball boy for the Norse (me) was not happy.*

*The 1971-72 school years would be perhaps the most successful in WMC history. NM would top all polls in 1971 as mythical state champs while Shelby would win both the 1971 & 72 state title in basketball. The Tigers also were state champs in 1972 in Wrestling.*
