Use any yarn with the recommended hook. This project was created using scraps for Luck of the Draw 13 as a 40 inch square. Be playful with your color combinations. Solids on the spike segments show the texture best. We are working between clusters throughout most of this pattern. Remember to HAVE FUN!!!!

slst= slip stitch

ch= chain

sc= single crochet

hdc= half double crochet

hdc corner= 3hdc ch2 3hdc

dc= double crochet

Granny cluster= 3dc in the same stitch

Granny corner= 3dc ch2 3dc in corners

Extended Double Crochet Spike is worked in front of the work or a treble can be used.

spkcl= spike cluster- dc between clusters of previous round, extended dc spike in 2nd dc of cluster below working in front of your work LOOSELY, dc between.

Feel free to play with the color changes
