

# Save Bayswater Village - Stop the Royal Oak Coach Station

Transport for London (TfL) has been told by the Mayor of London to identify a new location for the Victoria Coach Station when the building lease expires and Crossrail2 begins work. We understand that the only location TfL is considering is a strip of land along the railway tracks

by Royal Oak, where TfL propose to build a coach station and then luxury tower blocks above, polluting our neighbourhood and blighting our landscape. We the undersigned oppose this plan and call on TfL not to move the Coach Station to the proposed Royal Oak site.
