

VISIONS PREPARATORY ACADEMY

To:

Prospective Families

1 August, 2025

Dear Families

We are excited about your interest in Visions Preparatory Academy of North River, where our mission is to provide a rigorous, student-centered education that prepares young scholars to thrive academically, socially, and personally.

As you consider enrolling your child, we want to provide you with clear information regarding tuition and financial support.

- 2025-2026 Annual Tuition: \$9,700
- Scholarships: Families may apply for scholarships through **Step Up For Students**, Florida's scholarship funding organization, which provides tuition assistance based on family income and student eligibility. These scholarships can significantly reduce or fully cover tuition costs for qualifying families.

We strongly encourage all families to apply for scholarship opportunities, even if you are unsure of eligibility. Many of our students benefit from these programs, ensuring that a high-quality education is accessible to all. We also provide in-house tuition assistance opportunities for eligible families.

Our admissions team is here to support you every step of the way, from completing scholarship applications to guiding you through the enrollment process.

If you would like more information or personalized assistance, please contact us at 888-208-7878 or dumakaatkins@visionspreparatoryacademy.com. We look forward to welcoming your family into the Visions Preparatory Academy community.

With excitement for the journey ahead,

Sincerely

Dumaka Atkins
Educator
