

Cato's Catopia Boarding Agreement

- 1) Cato's Catopia agrees to exercise due to reasonable care of the pet and to keep its quarters sanitary and safe. The pet will be fed properly and regularly.
- 2) All pets entering Cato's Catopia must be current on vaccinations and free of external and internal parasites, or they will be treated at the owner's expense.
- 3) In the event your pet should become ill during its stay, your pet's veterinarian will be consulted. However, in cases of emergency, or if the pet's veterinarian is unavailable, the kennel reserves the right to consult our own veterinarian. The owner will be responsible for any additional charges for treatment at check-out time.
- 4) It is further agreed that all pets are boarded, handled and cared for by Cato's Catopia without liability by Cato's Catopia for death, loss or damaged from disease, running away, theft, fire, injury or any unavoidable causes, as long as due diligence and care are exercised by Cato's Catopia.
- 5) If the pet is not picked up within ten (10) days after expected return date of the owner, the pet will be considered abandoned and the kennel is authorized to do what is deemed best and necessary for the pet.
- 6) No pets will be discharged without payment in full for charges.
- 7) This agreement will be valid for the future boarding dates.
- 8) If Chauffeur service is requested, all agreements above apply. Please initial that you have no objections _____.
- 9) If Chauffeur service is requested, a designated time of pickup will be given and the cat(s) must be in a carrier and transferred to the driver at the entrance.
- 10) If Chauffeur service is requested for the return of the cat(s), cat(s) will be in the carrier that was used at the initial pick up or drop off.

11) Cato's Catopia will be photographing residents from time to time to show on social Media. Please initial if you have no objections _____.
