You will be asked to provide your information and “pledge” to make a donation. Whatever email you use for this pledge, please use the same email for your appointment when you schedule a time and location and also when you arrive

You can search for a donation center or a community blood drive which is open to the public. See the attachment for donation center locations.

To schedule an appointment call 303.363.2300  
or visit [donors.vitalant.org](https://donors.vitalant.org) and list your home or work zip code to find a location near you.
