2026

Established in 2002....It's a family business

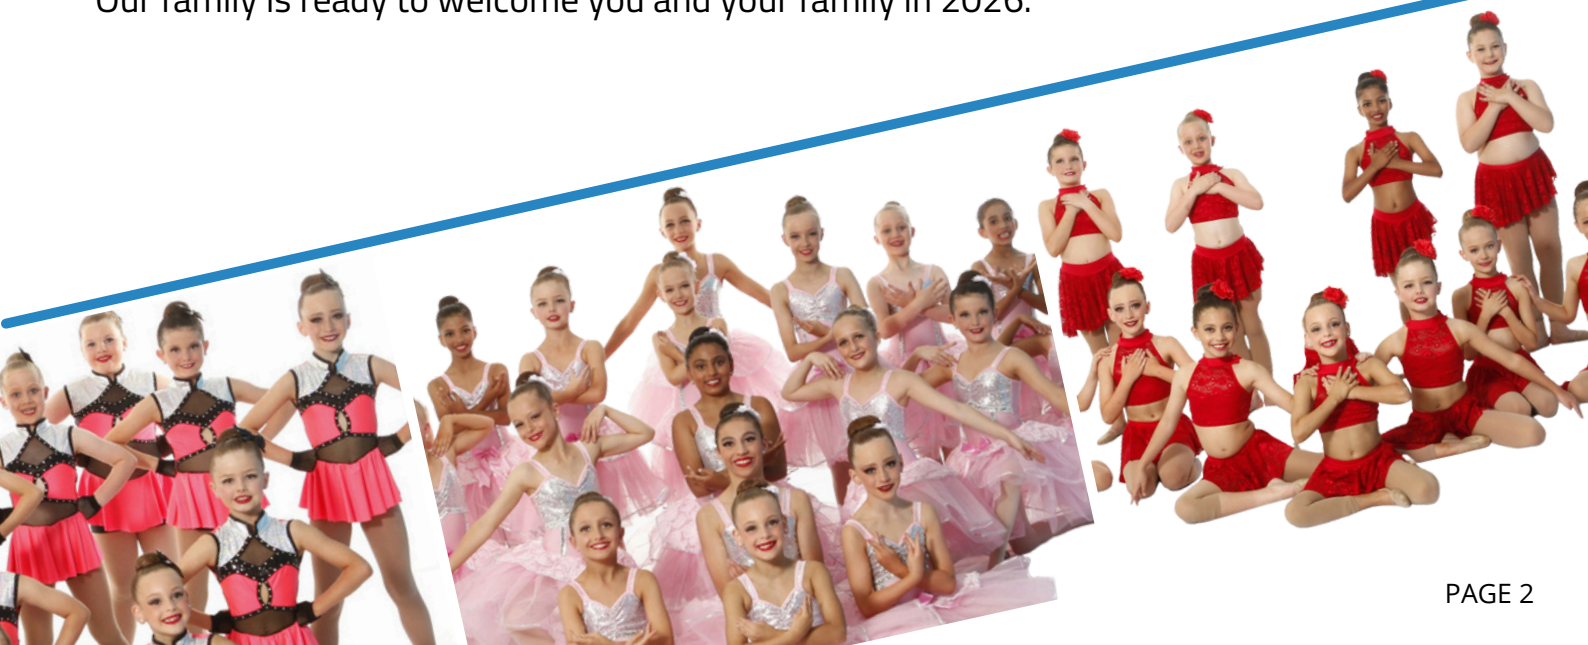

Our Story

The Lauren Wall School of Dance was established in 2002 by Sisters Lauren Bezzina and Janelle Rodda, who both started dancing at the age of 2 and have been involved in the industry for 20 plus years. Both are Mums, with three children each, and understand the importance of teaching and encouraging children in a positive environment as they learn and grow. Helping with day to day running of the Studio is our Mum, Joy, who was also a dancer, dance mum and now a dance grandma.

For 20 years our school has been a leader in dance education, and we believe that our success comes as a result of providing solid training and quality service, as well as our underlying belief in the strength of our Dance School and extended Dance Family.

Thank you for considering the Lauren Wall School of Dance for your Child's dance journey.

Our family is ready to welcome you and your family in 2026.
