OUR PROGRAMS

READY SET ACRO is a collaborative acrobatic program developed with Industry Leader Acrobatic Arts, specifically designed for preschoolers. It emphasises safe and effective progressions to foster the physical and social skills needed for healthy early childhood development.

The program is developed with original music with lyric cues and focuses on three key components: STRETCH, STRENGTH & SKILLS.

STRETCH:

Enhance flexibility and expand the range of motion in all major muscle groups.

STRENGTH:

Young learners engage in a variety of exercises designed to promote physical strength and control.

SKILLS:

Preschoolers develop social literacy and build confidence while exploring a wide range of AcroDance movements, from basic poses and balances, to more complex hand stands and cartwheels whilst always working at an appropriate level for their skill and experience.

★ CONFIDENCE ★

Regular and sustained participation in Ready Set Dance classes helps children to develop their confidence as they try new things, practice and consolidate existing skills and experience success and mastery.

👟 COORDINATION 👟

The carefully sequenced and playful program develops physical coordination, the coordination of the senses, the coordination of the mental processes and language and the coordination of social connections.

FAQ'S

Can I watch my child's classes?

In our experience preschoolers are able to concentrate better without the distraction of other noise in the room from parents and other siblings. Our program has been endorsed by leading child care experts who support the independent learning model. As preschoolers participate in classes they have the opportunity to develop additional secure attachments with adults (teachers) and peers. This helps them transition positively into the larger world and helps with school readiness.

Having said that, a lot of children are timid at first and need to know that a parent is close by. Our program allows parents to watch the first class if necessary to help them adjust.

Are your teacher's qualified?

All teachers have their Working with Children Check (or equivalent) and follow the program that is endorsed by early learning experts. Ready Set Dance teachers are required to gain their certification from Ready Set Dance head office before delivering the program.

Do we need to purchase uniform and shoes?

Students must wear the Ready Set Dance uniform. However, we need to make sure we are the right fit for you and your child before committing to anything. Comfortable clothes and sneakers are fine for the first couple of lessons. Once your child has settled you can purchase the official Ready Set Dance uniform at reception which we are sure you will love.

What is watching day?

Watching day is where parents get to view their child dance as an audience in the classroom. It's a chance for your child to begin their first step to working on their performance skills.

If we miss a class can it be made up on another day of the week?

You may swap days during Terms 1, 2 and 3 if you miss a class (as long as the make up class is not full). In term 4, each class works on a different routine for the end-of-year concert, and it is too confusing for students to be swapping days. We do recommend that you avoid alternating days too much as preschoolers need the comfort of knowing that the same teacher and their friends will be there when they go to dancing.

How can I experience Ready Set Dance at home?

Ready Set Dance airs on Nick Jr and Paramount Plus. You can also catch us on YouTube and the Nick Jr Play App. The Show has been so popular that it is now airing in 120 countries all over the world. Preschoolers love to dance along to their favourite songs from the TV show in their classes every week.
