ABOUT 6TH GRADE CAMP

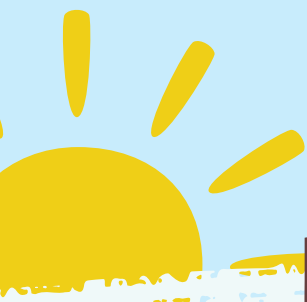

A week-long field trip that will immerse your 6th grader in nature and create lifelong memories!

Camp Cuyamaca
Outdoor School, just
northeast of Descanso
(about a 1 hour drive)

March 22 - 26, 2027

NO electronics!

FROM OUR PANTHERS

I enjoyed making lots of new friends. We got to make cool crafts, like the cool wood that I got to sand and wax. We got to play in the snow and play on the rocks on one of our hikes. We got to hang out in our cabin and write letters home, and we also got to do a magic trick in the talent show. In conclusion, sixth grade camp was super fun and anyone who goes will have a great time. - **Mira S. (8th Grade)**

The activities at sixth grade camp were fun, one of them is you could either choose between wood or stone, if you chose stone you could grind it into any shape you wanted, if you chose wood you had to de-bark it and cover it cover it in wax.
- **Courtney L. (7th Grade)**

Really liked how we did a walk all day and were able to get dirty sometimes, take breaks, adventure out, and have some fun - **Emmett H. (8th Grade)**

PRO TIP!

Ask to see your student's field journal when they return!
