

# T-SHIRT DESIGN CONTEST

## Calling all Panthers! Would you like to see your original art design on our Challenge Course Event t-shirts this year?

The Pershing Panther Challenge Course is coming soon! The Challenge Course is an all-school fundraiser for the Pershing Foundation with a fun field event on Wednesday, April 16.

Event t-shirts will be earned by all students who raise at least \$40 in donations. Once again this year, the artwork featured on the shirt front will be designed by one of our students!

1st place winner will appear on t-shirts and in event promotion.

2nd place winner will be featured on water bottle stickers earned by students who raise any amount!

Winners will be determined by a combination of votes from the school community and the votes of the Pershing Foundation board and will be announced after March 12.

### CONTEST GUIDELINES

To be considered, design MUST:

- 1 Be the student's own original artwork (no tracing of an existing picture or AI generation)
