

TRUSTFORGE

PRODUCT CATALOGUE-2024

ABOUT OUR COMPANY

Trustforge Ventures is a Merchant Exporter firm exporting chemicals and allied products from India. Our products bring ease to many aspects of daily life as well as for industrial use. We are primarily exporter of Industrial Chemicals and Surfactants. We believe in delivering quality products with fastest service and highest level of commitment. Our quality and brands are trusted by hundreds of industries across different states and countries worldwide over past many years.

Why Trustforge

1. Top notch Quality:-

In our company, quality is our cornerstone. We ensure excellence in every detail, delivering products and services that exceed expectations and stand the test of time.

2. Timely Delivery:-

Timely delivery is our commitment. We prioritize efficiency and reliability, ensuring your solutions arrive exactly when you need them, without compromising on quality.

3. Customer Support:-

Exceptional customer support is at the heart of what we do. Our dedicated team is always available to provide personalized assistance and resolve any issues, ensuring a seamless experience for every client.

4. Sustainable Practices:-

We embrace sustainable practices by integrating eco-friendly solutions into every aspect of our operations. Our dedication to minimizing environmental impact drives us to innovate responsibly, ensuring a greener future for all.

5. Custom Requirements:-

We excel in meeting custom requirements with tailored solutions designed specifically for your needs. Our flexible approach ensures that every project is uniquely crafted to align with your precise specifications and goals.

Major Products

CHLORIDES:

- Calcium Chloride
- Zinc Chloride
- Sodium Chloride
- Potassium Chloride
- Ferric Chloride
- Magnesium Chloride

All above metals are available in Sulphate, Acetate, Acid and Phosphate form.

FERTILIZERS:

- Potassium Humate
- Micro Nutrient Mixture
- Seaweed Extract
- Fulvic Acid
- Dihydrate Poly Halite
- Ammonium Molybdate
- Rock Phosphate
- Triple Superphosphate (TSP)
- NPK Complex 15-15-15
- Sodium Tetraborate
- Arsenic

ORGANIC & INORGANIC ITEMS:

- Aluminum Chloride
- Ammonium Sulphates
- Para Acetyl
- IBU Profane
- Caustic Potash Flakes
- Potassium Carbonate
- Stable Bleaching Powder
- Sodium Bi Carbonate
- Sodium Sulphate
- T.G Urea
- Zinc Sulphate
- All other

PURE SOLVENTS & ACIDS:

- Acetone
 - Benzene
 - Benzyl Alcohol
 - Benzyl Chloride
 - Cyclohexane
 - Methyl Ethyl Ketone (MEK)
 - Phosphoric Acid
 - Hydrogen Peroxide
 - Ortho Xylene
 - Methylene Chloride (MDC)
 - N-Hexane
 - Nitrobenzene
 - All other
- 

AGRO CHEMICALS:

- Alcox 200 Chemical Solvent.
- DMF 98% Chemical
- Nitrobenzene Liquid
- N Butanol
- Phosphoric Acid 85
- Tert Butyl Alcohol
- Dimethyl Sulfoxide Solvent
- Dipropylene Glycol
- Dimethylformamide Dmf
- Distilled Dimethylformamide

OTHER MAJOR CHEMICALS :-

- Polyether Polyols Chemical
- 5613 Arcol Polyol
- Acetone Solvent
- Toluene
- Methyl Di Isocyanate
- Methyl Iso Butyl Ketone
- Chloro Acetyl Chloride
- IsoPropyl Alcohol IPA
- Propylene Glycol
- Acetonitrile
- De-inking Chemicals (Paper Industry)
- Furfuryl alcohol

Formulation or Consultancy regarding any products will be provided by our technical team.
