

# Baby Dedication

This is to certify that

\_\_\_\_\_

will be imbued with the same spirit of Truth and Loving Kindness that is taught in our Order.

*“Remembering the blue ray of Adah teaches us to obey, the green ray of Martha teaches us how to pray, while Ruth’s golden hue doth humbleness show and the white ray of Esther with courage aglow, but the red of Electa, the last of all, teaches the love that endureth whatever befalls, for love is God and God is true love, enfolding the earth and the heavens above.”*
