The Midwest's Premier Celebration of Fleetwood Mac & Stevie Nicks

## CELEBRATING LEGENDARY MUSIC

Stevie McVie brings the iconic music of Fleetwood Mac and Stevie Nicks to life with driving rhythms, searing guitar riffs, and those unmistakable, soaring harmonies. Not a typical tribute band, they deliver the full concert experience, channeling the energy, drama, and mystique of one of rock's most legendary catalogs. From the delicate beauty of "Landslide" to the haunting magic of "Rhiannon" and "Edge of Seventeen," Stevie McVie's high-energy performances and engaging storytelling captivate audiences at 15,000 capacity venues, intimate theaters, and "Everywhere" in between.

The setlist also pays tribute to the incredible web of musical connections surrounding Fleetwood Mac and Stevie Nicks. Throughout the show, band members share engaging stories that take listeners behind the music, and explore the storied collaborations with Don Henley, Tom Petty, and others, "six degrees of separation" that tie these legendary artists together and take a Stevie McVie show beyond what other tribute bands offer.

This six piece band brings together decades of live performance experience, including musicians who have opened for Hall of Fame band Chicago, .38 Special, and John Waite.

# A HISTORY OF LEGENDS

From the release of Fleetwood Mac's self-titled debut album in 1968 to their 1998 induction into the Rock and Roll Hall of Fame, they have been one of the most successful bands in rock history. Stevie Nicks was inducted into the Rock and Roll Hall of Fame as a solo artist in 2019, 27 years after the release of her first solo album. Her emotive voice, poetic lyrics, and powerful stage presence resonate with fans of all ages. When she joined Fleetwood Mac in 1974, she found a lifelong friend in Christine McVie, whose pure, warm voice, keyboard prowess, and talent for writing an unforgettable love song created some of the band's most memorable moments.
