## DIFFERENTIATOR

At Piscataway Konoy Services (PKS), we are committed to delivering innovative, solutions-driven professional services tailored to meet the unique needs of federal government agencies. With over 20 years of past performance experience, we combine deep industry knowledge with a proven ability to manage large-scale projects, ensuring timely delivery and alignment with strategic goals. Our expertise in Enterprise Resource Planning (ERP), Customer Relationship Management (CRM), Systems Applications and Products (SAP), and Software as a Service (SaaS) technology systems, including Oracle implementations for Finance, Human Capital Management (HCM), and Learning Management Systems (LMS), enables us to foster productivity, enhance organizational culture, and improve employee relations.

Our significant experience in Electronic Health Record Modernization (EHRM) for healthcare organizations, especially the Veterans Health Administration (VHA), ensures HIPAA compliance while transitioning to cloud-based platforms, setting us apart from the competition.

Our track record includes successful collaborations with key federal agencies and corporate giants, further underscoring our capacity to exceed expectations in both prime and subcontractor roles.
