Heavenly Hollow's Multi-Purpose Eucalyptus Blend plus Omega 3-6-9

Our Unique Botanical Blend Infused with Emu Oil Makes Heavenly Hollow's HEALTHY rub...

Exceptional.

What separates Heavenly Hollow's Eucalyptus Oil Blend from anything else on the market today is our unique mix of several extraordinary all natural ingredients AND we do not bleach our oil. It is always ALL NATURAL – ALL PURE.

Highlighting a few key ingredients:

❖ The benefits of the Eucalyptus tree (native to Australia) were discovered long ago by the Aboriginal tribes who valued the plant as a remedy for many ailments. Today the Eucalyptus tree grows abundantly in California—great-grandchildren of seeds obtained from Australia in the mid 1800s. The oil of the Eucalyptus leaf is commonly known for its beneficial value, such as relief of joint and muscle aches, making it a natural application for therapeutic massage. A teaspoon or two of our blend in water also makes a great foot soak for tired feet. The therapeutic aroma utilized professionally by the masseuse provides a natural aid for the common cold and bronchitis, since vapors of Eucalyptus are excellent to clear sinus and congestion.

❖ Soy oil is a beautifully beneficial, rich emollient component of our blend. Soybeans are a crop extensively grown in the USA—mainly in the states of Kansas, Michigan, Wisconsin and South Dakota. Soy oil (derived from the soybean) is full of valuable anti-oxidants that help to restore life to dry, damaged skin. An antioxidant is described as something that counteracts damages done to the skin by our environment ...i.e., toxic pollutants, cigarette smoke and sun. Antioxidants fight against that which makes outer skin cells vulnerable.

ABOUT PURE EMU OIL

Join with people from around the world and experience the amazing benefits of Emu Oil.

❖ Emu Oil, a natural non-irritating oil, contains Omega 3 EFA, a substance known to ease joint discomfort, Omega 6 EFA contains anti-inflammatory effects and Omega 9 also helps with inflammation.

Pure Emu Oil contains Omega 3 EFA (Linolenic Acid) a substance known to ease joint discomfort, and Omega 6 EFA (Linoleic Acid) a substance known to have anti-inflammatory effects, and Omega 9 (Oleic Acid) a substance also known to have local anti-inflammatory effect. It is non-comedogenic (non-pore-clogging) and it is hypo-allergenic.

These unique properties make Pure Emu Oil an exceptional application for general skin care and to aid in the relief of sore muscles and joints, cracked and parched skin. Emu oil is very good for brittle nails and nail bed.

Emu Birds are grown for food on farms all across the United States

HOW TO USE

To aid with the discomfort from Arthritis, Back and Muscle, Bursitis, Carpal Tunnel, Fibromyalgia, Rotator Cuff, Tendonitis : Use Heavenly Hollow's Eucalyptus Blend as a liniment. First wash the affected area with warm water or apply a warm cloth to open the pores. Massage well for it least one minute, apply a light amount of Oil of Eucalyptus Blend as a lubricant. Essential Oil of Eucalyptus may be applied up to 3 times daily.

Also a great comfort for Sore /Burning Feet, Heel Spurs and Sprained Ankles: Put one teaspoon of oil into a tub of warm water and soak for relief almost immediately. Soothe sore feet by applying a few drops of oil to a warm cloth and wrapping around the foot.

Sinus, Sinus Headache, Hay Fever, Colds, Head Congestion and Migraines: Sprinkle a few drops of our Oil of Eucalyptus blend on a cloth or tissue and breathe in vapors through the nose. (Vapor may make your eyes water and cause you to cough - this is normal and momentary)

Bronchitis, Chest Congestion, Asthma: Apply locally as a chest rub for lower respiratory discomfort.

Rashes, Insect Bites, Poison Ivy, Psoriasis, Burns, Sun Burn: Apply Heavenly Hollow Multi-Purpose Blend to the affective area and cover lightly with a lubricant (petroleum jelly, etc). If rash persists, call a physician.

Sores, Cuts and Abrasions: When bandaged, apply directly over the bandage to saturate. Heavenly Hollow Multi-Purpose Blend will help cleanse the wound and help promote healing.

Vaporizer: A few drops in a vaporizer will make breathing easier and assist in stopping the cough.
