East Capitol Street Safety and Mobility Project *ANC 7E*

January 14, 2025

Agenda

- Introduction of Attendees
- Project Overview
- Project Location
- Proposed Project Designs
- Questions

Meet the Team

- Samuel Olatunji, DDOT – Project Manager
- David Tackoor, DDOT – Program Manager
- Jason Cawrse, Volkert, Inc – Project Manager
- Hari Thaker, Volkert, Inc – Deputy Project Manager
- Enora Moss, TB&A – Community Engagement

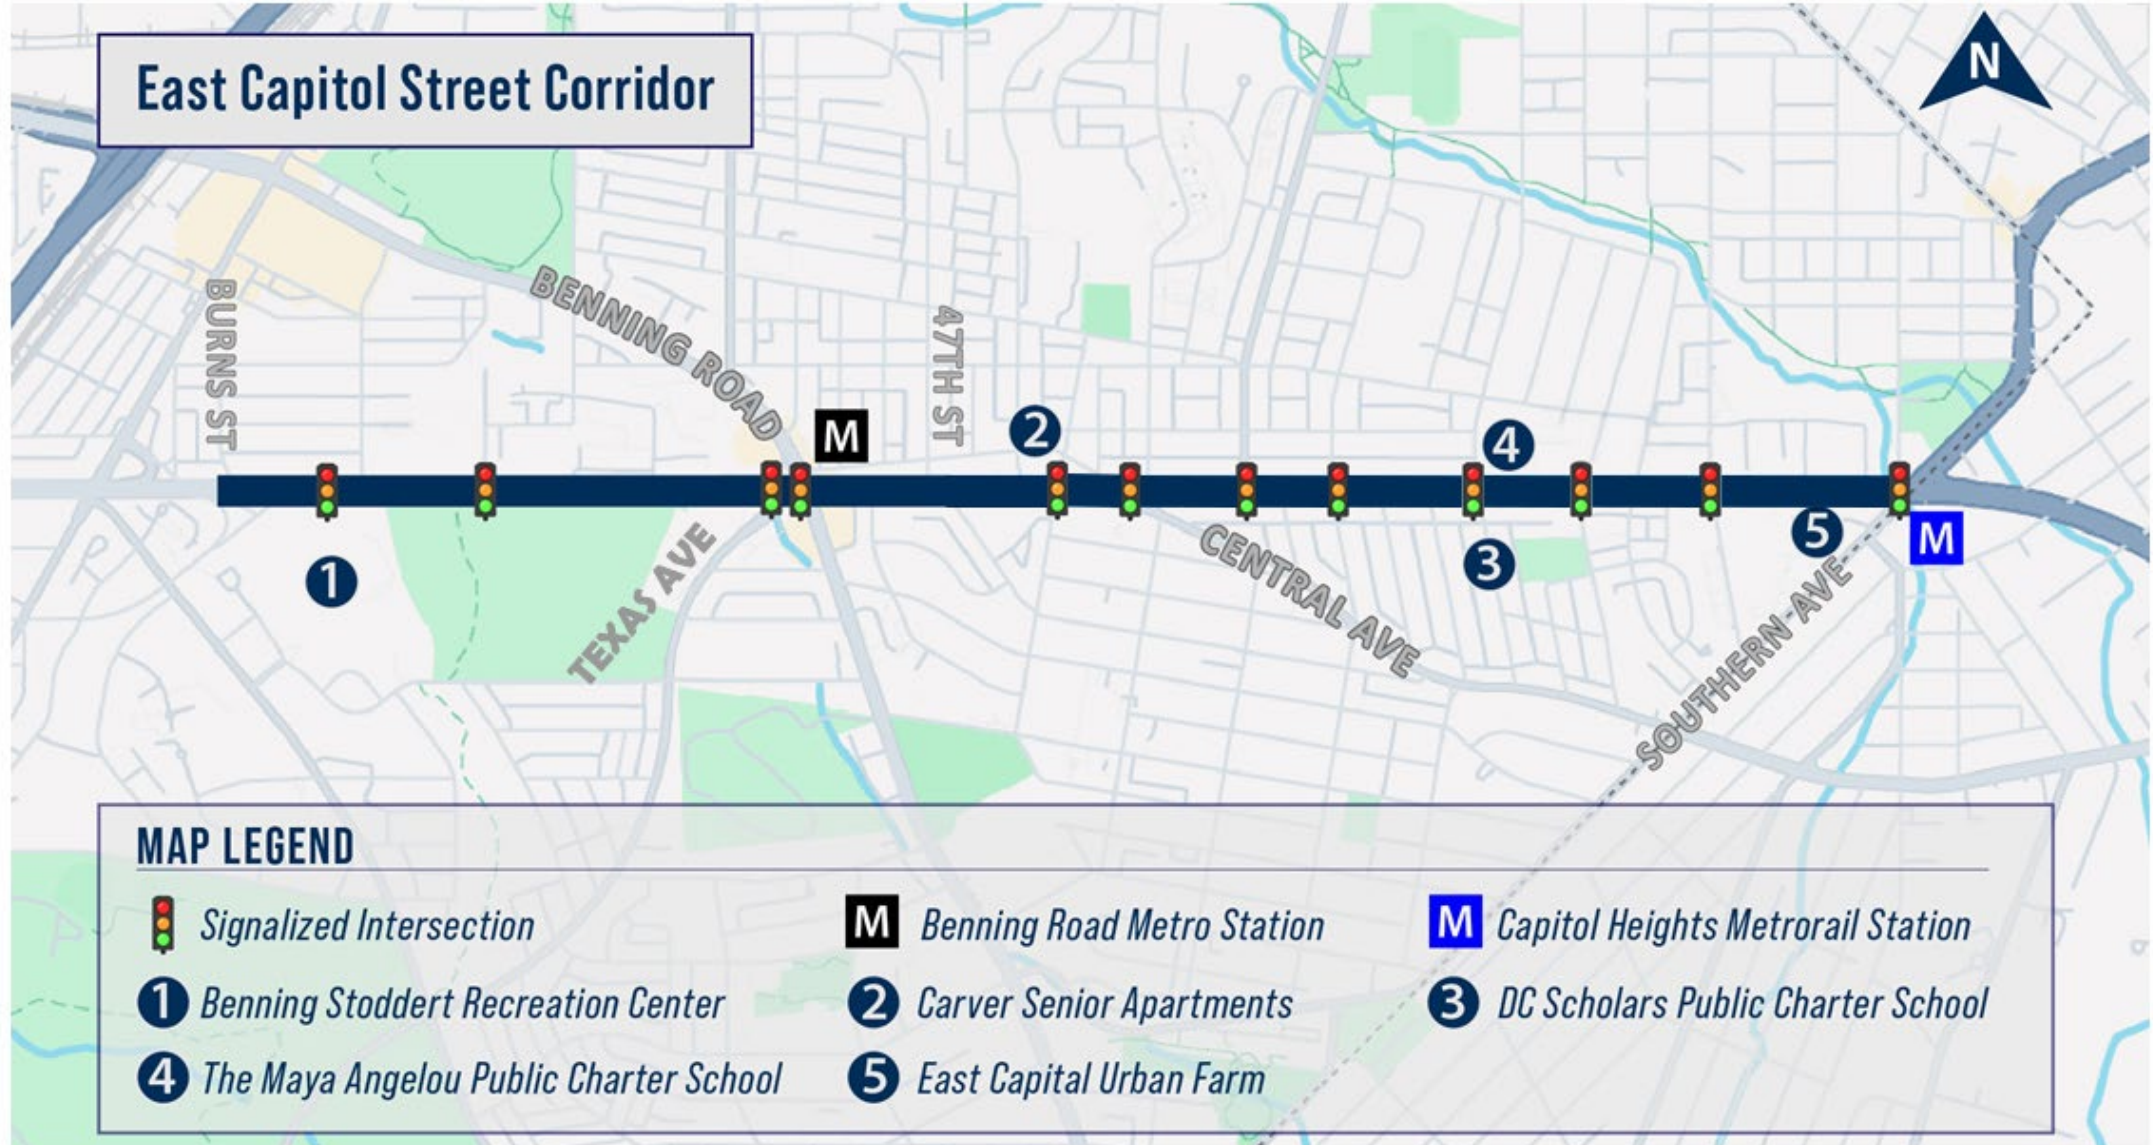

Project Overview

East Capitol Street is a vital arterial roadway situated in Ward 7 of the District of Columbia. This corridor features three lanes in each direction (eastbound and westbound), separated by a median, and serves a diverse range of users, including vehicles, transit riders, pedestrians, and cyclists. It provides essential access to residences, schools, businesses, and recreation centers.

Phase 1 work limits are East Capitol Street from Burns St. SE to 47th St. SE. The entirety of the project limits are from Burns St. to Southern Ave. The primary goal of this project is to enhance safety, mobility, and accessibility for all users of East Capitol Street. Focusing on these enhancements, we aim to create a safer and more accessible environment for everyone who relies on East Capitol Street.

Project Location

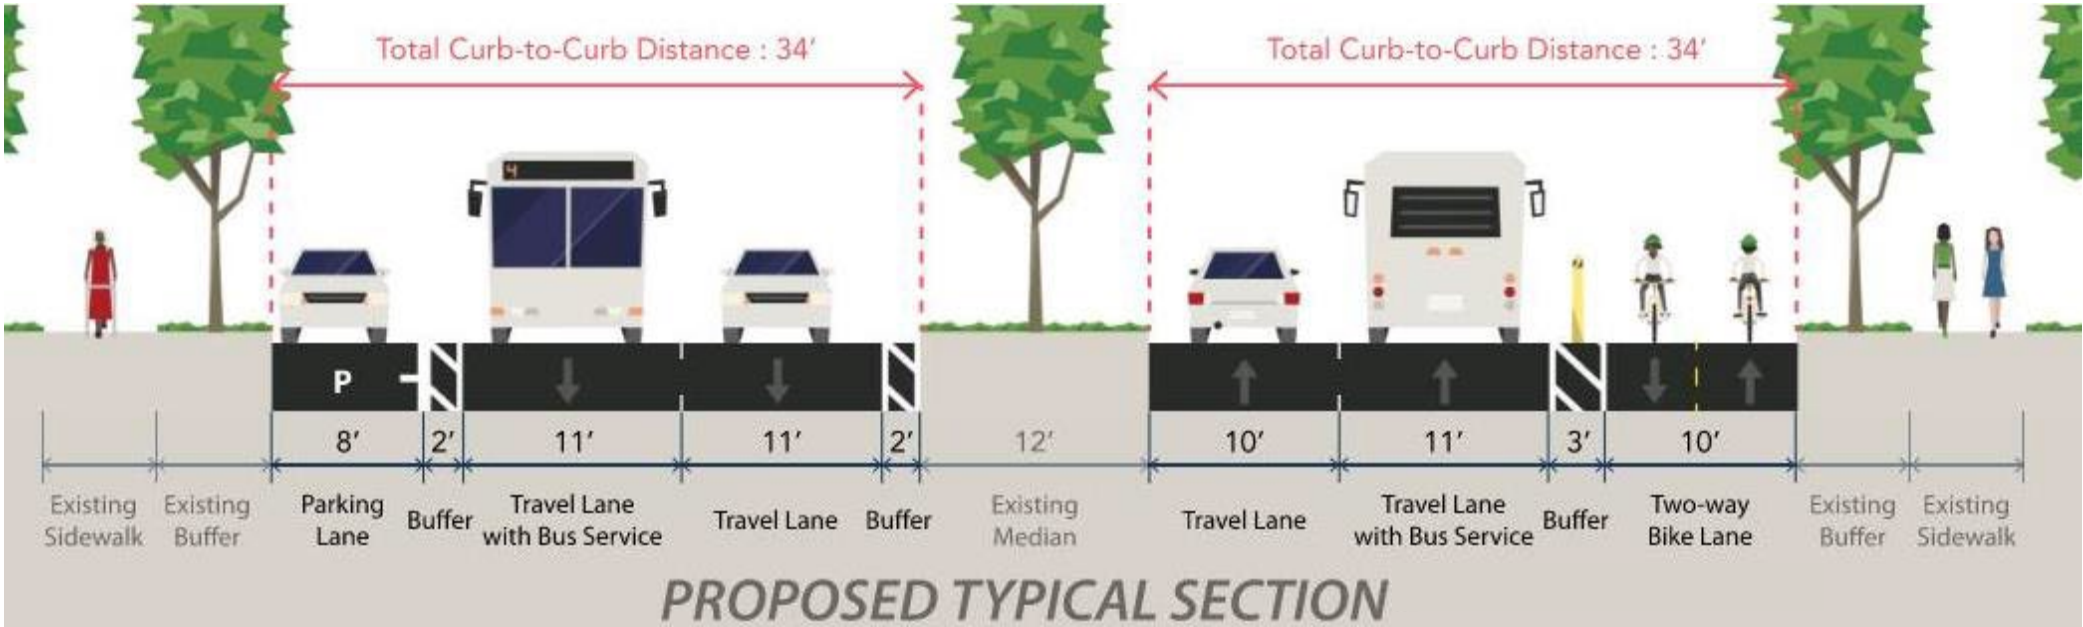

Common Concerns

- Provide Pedestrian Safety
- Address safety concerns at school areas
- Improve Crosswalks
- Provide ADA Compliance
- Improve Bus Stops
- Reduce Speeding along the corridor
- Maintain Parking
- Provide Protected Bike Lanes

Benning Stoddert Rec. Center to 49th Str. NE

Existing Condition

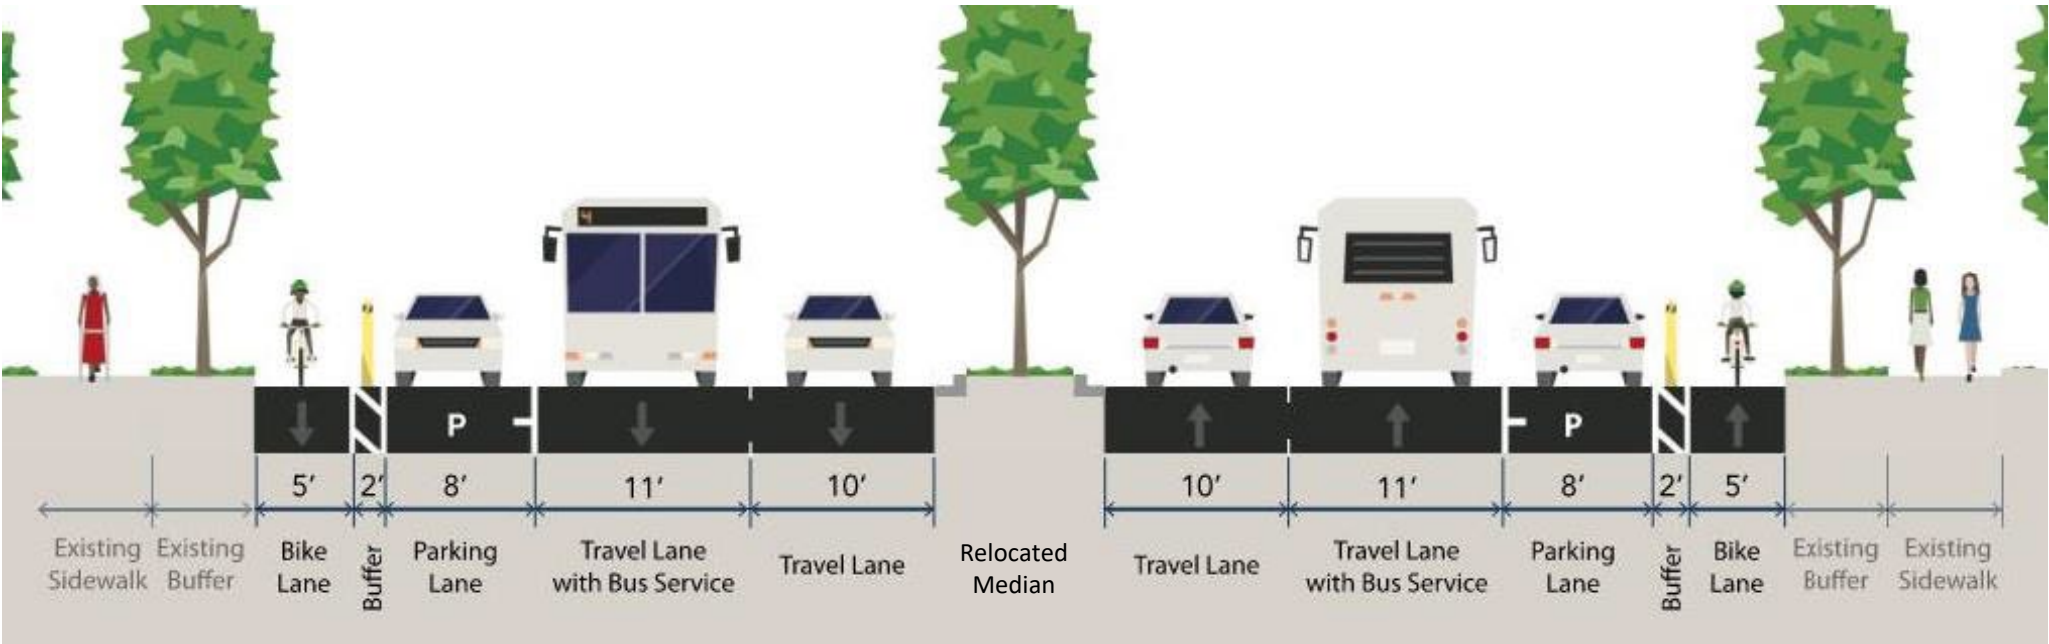

Proposed Condition

49th Str. NE to Central Ave. SE

Existing Condition

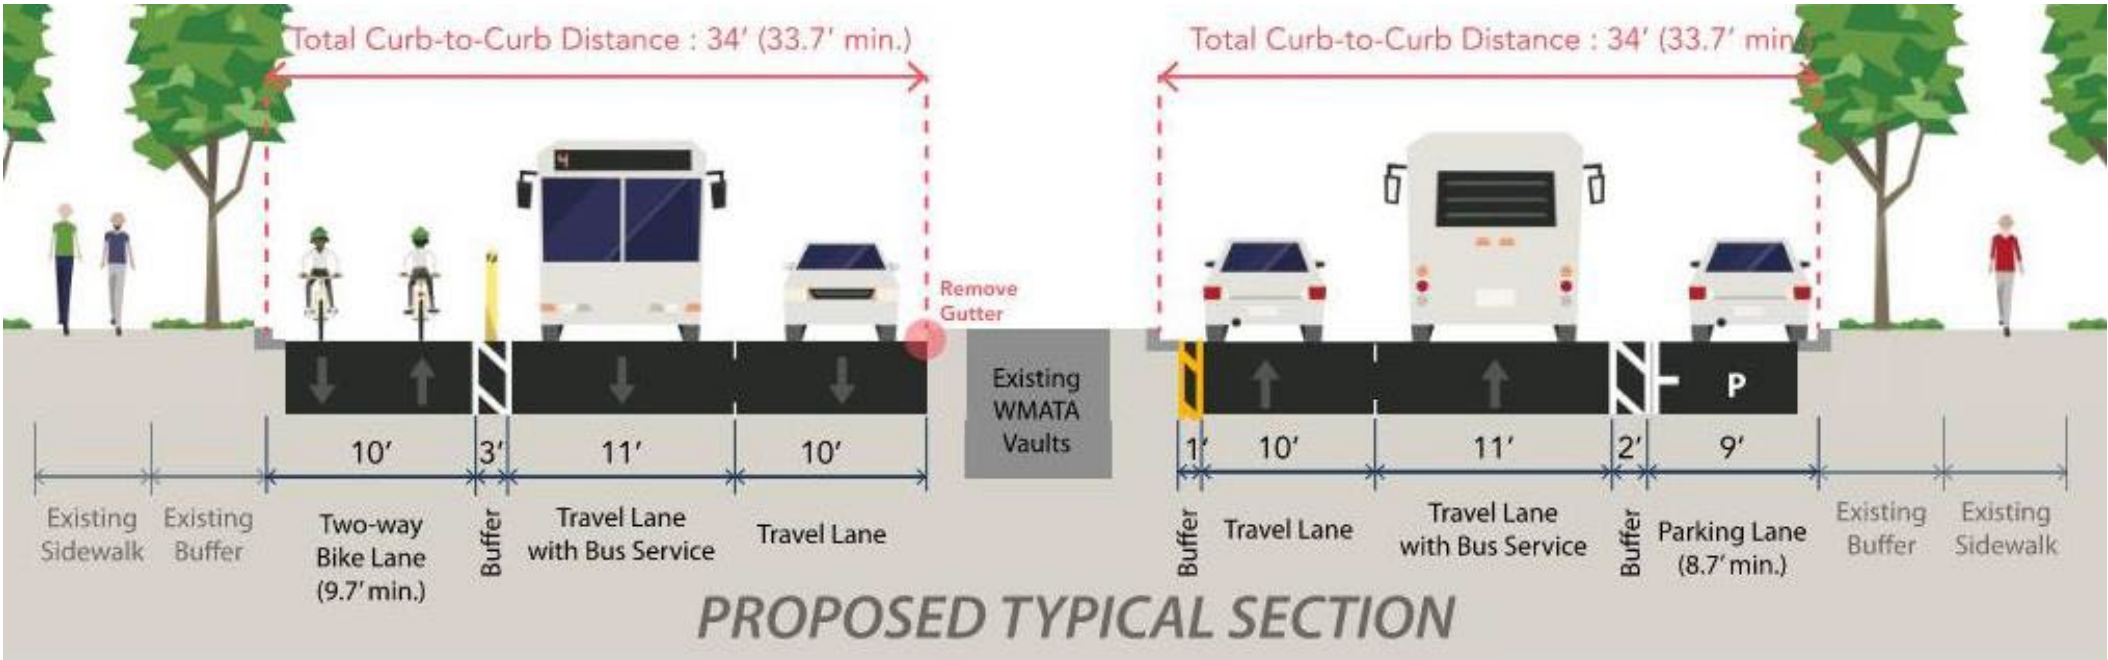

Proposed Condition

Central Ave. SE to Southern Ave. SE

Existing Condition

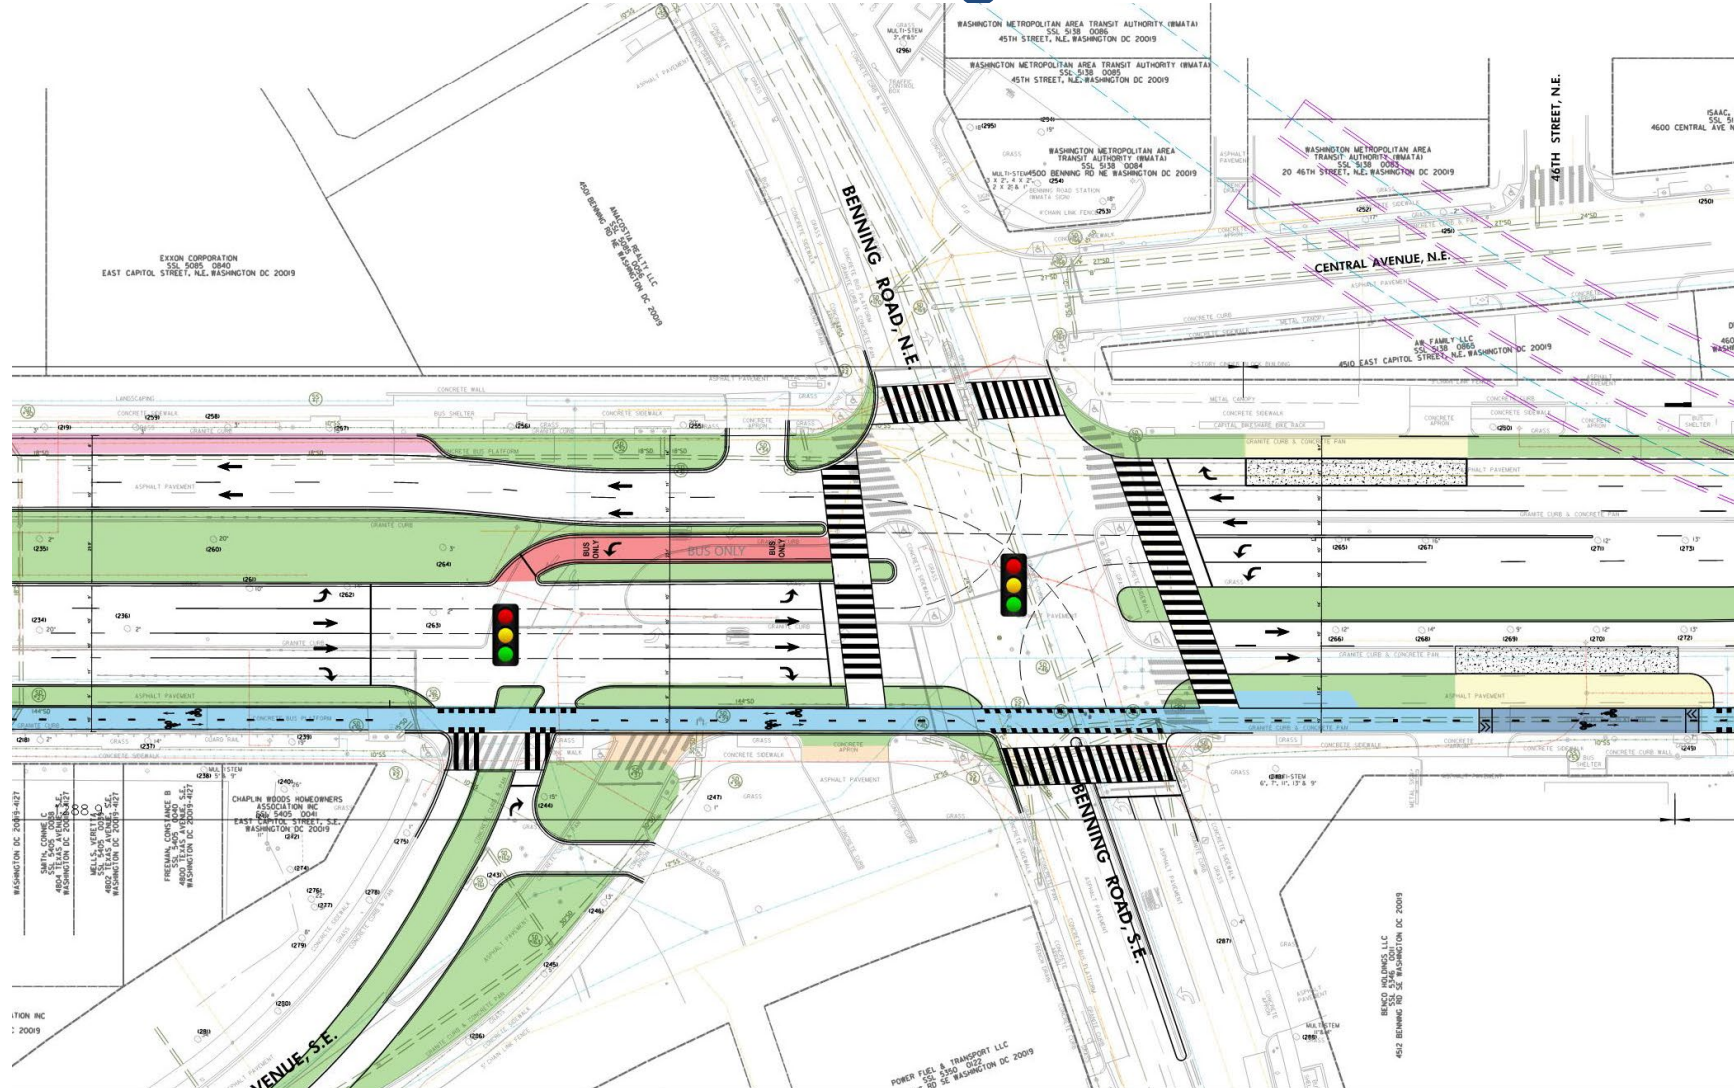

Proposed Condition

Texas Ave. SE and Benning Road Intersection

Existing Conditions

Texas Ave. SE and Benning Road Intersection Redesign
