Re: Support for the Marshall Heights’ Oral History Project, Part 2

Dear Mr. Hasan-Towery:

Advisory Neighborhood Commission (ANC) 7E would like to express its support of the Marshall Heights Civic Association’s Oral History Project Extension Grant application. We believe the project will play a critical role in the continued documentation of the rich and prominent history of the Marshall Heights community. The history of our community is filled with stories of triumph and examples of what is possible when a community actively work towards accomplishing a common goal. As such, we strongly support MHCA’s application to continue interviewing Marshall Heights residents to capture and preserve the rich history of our community.

Sincerely,

*Delia Houseal*
