## May 2022- "Dancing With the Stars"

Wow, it has been an eventful past couple of months. For starters we had our very first annual dance recital on May 22, 2022 at Forest Heights Stem Academy. I would like to say that it was one of the best days in my life. The moment was so surreal, and I will cherish it forever. It was awesome seeing the love and support from the audience of friends and family. The girls worked so hard, and it truly paid off during the show. I am so proud of each and every single one of the girls and I am so excited to start another year with them.

We would also like to thank the parents for volunteering and helping with set up, break down and clean up, and our first Silent Auction. We were so happy to be able to recognize our two parent volunteers of the year Mrs. Rhonda Fontenette and Mrs. Khalea Boyland who we truly appreciate for always going the extra mile. We could not have done anything without the help of everyone and we truly appreciate you all. We wouldn't have had make up on everyone's faces without the help of Mrs. Diamond Hawkins. Thank you so much for your help and professionalism in this area. I owe another thank you to those who bought tickets and came out to support their student. Nothing is better than seeing the support of your family in the audience and the girls were even more excited because of it.

Our donor of the year goes to Mr. Miles, which was truly an honor to give, and we are grateful for everything you have done. With all of that being said we had a wonderful first annual showcase and I'm excited to see what the next years will bring. We would also like to give a special THANK YOU to Forest Heights Stem Academy for their hospitality with using their facility. Thank you, Mrs. Amy and Coach Randle!!

This May, we were so excited to host a Tik Tok Camp for the Little Rock Reader's Club. We truly thank them for the invitation and hope to work with them again.

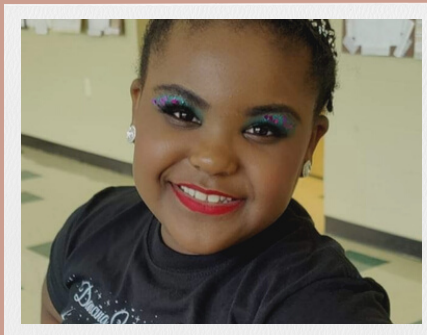

## June 2022- July 2022 Back to the Basics

This summer, we wanted to focus on getting back to the basics with technique and endurance. the girls have done an awesome job with learning new techniques that will enhance their dance routines from beginning to end. We also were able to welcome a couple new dancers into our program for Season 2. We look forward to continuously growing our program.
