PROGRAMS:

Kids:

Rec Team @ Outreach: School aged children (ages 5-12) can come to the Outreach Centre for an activity and snack Tuesdays & Wednesdays, 2 - 4 pm. Our focus is on activities that reflect inclusion, diversity and equity. We focus on how we can be respectful community members. This is geared for children right in the Outreach area. Registration isn't required but please note we are not a daycare service. We cannot guarantee allergy free snacks and space is limited/
Call to inquire: 204-595-5105

Recreation Support: Did you know that there are many different organizations and Foundations that will help families with financial barriers pay for recreational registrations. Canadian Tire JumpStart, Kids Sport, Child and Family Foundation (Chance to Play, Chance to Camp, Chance to Grow), and The Family Resource Centre (Us!!) in partnership with Big Brothers Big Sister (Create or Play) all want to help connect children to recreation. There are a few requirements, and we can help you figure out if you qualify for one of listed options. For more information email: wellness@frcportage.ca

Care Givers:

Community Outreach: More informal than wellness coaching, our Community Outreach can help with navigating recreational opportunities for your children, parenting and wellness tips, or creating connections to other community resources. Let us help find the right fit for you! Call 204-595-5105 or 204-595-5005 for more information.

Wellness Coaching: Wellness Coaching provides support for individuals' and family through the lenses of social, emotional, physical and mental health and wellness. The goal is to provide guidance, support to achieve short and long term goals, and facilitate access to other relevant community supports. Aimed to break isolation and provide connection, it is delivered one to one. Please note that Wellness Coaching is not a crisis or counselling service (treatment, management or diagnosis for clients living with a mental health diagnosis or emergencies such as suicidal ideation). Rather, the approach of these sessions is to provide participants with strategies and coping techniques so they can overcome challenges now, in the future, and to navigate relevant community resources.

Note: Wellness Coaching and Community Outreach services are confidential!

Food Security:

Are you facing food security issues and have children who are either not enrolled in the Portage la Prairie school division or too young for school? If so, please contact Outreach at 204-595-5105 between 10 AM and 12 noon on Mondays (excluding holiday Mondays) to find out if you qualify and how to register for our food security programs.
