Day of Coordinator

About Me

With over a decade of experience in the wedding and event industry, I have specialized in event bartending and service staffing, ensuring seamless and memorable celebrations. Over the years, I've built strong relationships with my clients, guiding them through the planning process to bring their vision to life. My passion for creating unforgettable events led me to expand into event coordination, allowing me to assist couples from start to finish in crafting their perfect day.

Why Hire a Coordinator?

A Day-of Wedding Coordinator ensures that everything runs smoothly, allowing you to fully enjoy the most important day of your life.

Stress-Free Celebrations: We handle the details—timeline, vendors, and logistics—so your day flows effortlessly.

Flawless Execution: No delays, no surprises—just a perfectly coordinated event from ceremony to reception.

Peace of Mind: With a professional in charge, you can relax and enjoy every moment without worry.

Personalized Service: Every wedding is unique, and we tailor our coordination to bring your vision to life.

Cherish the Moments: From your first dance to the last toast, we ensure you're present for every special memory.
