- c. Technology: noted updated garbage/recycling schedule; will update minutes; stacy requested adding annual garage sale dates (June 8 - 9); the online paylink for the yearly HOA dues has been updated to reflect that additional fees for May
- d. Violations: Stacy noted ; Bill noted no current violations; Hector noted to make note of political signs, Stacy commented making note of such in the Spring newsletter.

### 5. General Updates:

- Mailbox relocation: Smitty noted potentially needing help [manual labor] from Hector and Tim regarding mailbox relocation; Joanne commented on mailbox noted on Northwood Dr corner, heading South - Smitty advised emailing on this topic
- Traffic Calming: Bill via chat: Traffic calming, 4 submittals, one edged us out, they'll hold ours for 2 years. This year they are doing two holdovers that scored well previously, then the 'Wilderness' application which is going to just eat their budget. We don't have to do anything to stay in competition for the first year their funds are not already committed
- Stormwater Pond Inspection: Smitty will manage filling out and submitting to county; noted 1 fence has been internally repaired
- City of Lacey HOA Academy (Annually): Smitty followed up, and will be attending a modified version in June
- Smitty bringing up community connections, and helping each other with our career or personal knowledge.
