

Shurrun's House is a City of Dallas Licensed transitional home that provides sober living faith based housing to women in recovery usually of low income in Dallas Texas. This fully furnished home provides a drug free safe haven when transitioning from substance abuse treatment centers. We offer residents a supportive environment, located near public transportation and provide passes to those in need so residents can find work, get to assigned meetings, adhere to orders of the courts, Outpatient treatment programs, Child Protective Custody(CPS), and more. Residents that are committed to their own success, participating in all programs and staying active is crucial to the recovery process.
