ON THE DAY

Whilst we cannot guarantee a full rehearsal you will have a stagger through and opportunity to practice entrance and exits. We will endeavour to work with the team on the day to ensure the young performers are as prepared as possible. We want them to feel confident and be at their best.

FINALE

All participating troupes will return to stage for a finale routine, to what will no doubt be a massive (well deserved) cheer.

You will be sent a finale routine in advance for the troupe to perfect. We will also recap and rehearse this on the day.

All troupes should remain in their second performance costume for this,
