hello

earth greetings

let's make pretty things that do good together.

SOFTLY STUDIO

Wild Wonder

The Wild Wonder collection is inspired by sketches from my backyard garden. It captures the quiet beauty of Australia's native flora.

From the golden glow of wattle to the striking form of banksia, each design reflects the plants that shape our landscapes and bring our gardens to life.

Wild Wonder honours the spirit of the Australian landscape, resilient, diverse, and quietly spectacular. It's a reminder that wonder can be found just outside the back door.
