SLEEP PATTERNS

A limited edition artist collaboration.

The Sleep Patterns Collection is designed to instill a sense of calm, transforming your bedroom into a sanctuary of soothing tones and flowing lines.

Inspired by two iconic creative works, Ettore Sottsass' Ultrafragola Wavy Mirror - designed in the 1970's as a homage to femininity and Matisse's Cut Outs, both works of minimalist perfection.

The collection is uplifting yet enduring, soothing yet bold. Find sanctuary in the hypnotic quality of soft flowing rhythmic lines and dusty natural hues with hints of sun tinted warmth.

The palette intentionally uses Sheet Society staple hues to so you can mix and match you limited edition bedding with your favourite beloved Sheet Society pieces for a conscious and kind long-term investment for our planet.
