Let It Grow tells the story of the life lessons learnt in the garden.

Gardeners witnesses the delicate equilibrium of life and death, the ever-changing seasons, and the resilient blooms flourishing against all odds.

This is the gardeners wisdom — the garden shows us how life unfolds and flourishes in it's own unique way, it reminds us to let go, and appreciate the beauty of each moment, everything blooms in it's own time, embrace the journey.

hello

Hi, I’m Lahni.

A Surface Pattern Designer & Illustrator based in Melbourne, Australia and the face behind Softly Studio.

I believe beautiful design comes from the heart and should bring you joy. In my work you’ll find playful, minimal florals and joyous colour combinations.

My work is available for licensing and I love to work collaboratively with brands on collections unique to their style.

To see more, or work together on a unique collection, please get in touch, I'd love to work with you.
