Introduction

Dear Valued Clients,

Pure Vending Solutions provides fully automated tobacco, vape, and other tobacco products via vending machines to qualified 21+ establishments nationwide.

Our mission is to deliver additional revenue for businesses with zero cost, zero effort, and zero liability.

What We Offer

A Complete Turn-Key Vending Solution

We handle everything, including:

- Machine installation
- Smart ID verification (21+ age-check technology)
- Inventory stocking
- Maintenance & repairs
- Cashless payment systems
- Data tracking & restocking alerts
- Customer support

Your location earns passive income, without ever touching the machine.

Why Vape & Tobacco Vending

- High demand in nightlife, bars, lounges, pubs, and 21+ venues
- No staff involvement needed
- Fast, impulse-driven sales
- Compact footprint (as little as 2 ft. of space)
- Additional convenience for customers
- Trending nationwide with automated retail

Revenue Share Structure

You Earn 10% of Gross Revenue Every Month

- Paid out monthly
- Transparent reporting provided
- No hidden fees
- 100% hands-off for you

COMPLIANCE & SAFETY

We prioritize responsible vending:

- 21+ ID Verification System
- Age-restricted product compliance
- Secure access + anti-theft technology
 - Insurance and liability coverage
 - All machines monitored remotely

MACHINE FEATURES

Our premium machines include:

- Sleek branded design
- High-capacity product inventory
 - LED lighting
- Cashless payments (swipe, tap, chip, Apple Pay, Google Pay)
 - Touchscreen user interface
 - Remote monitoring & analytics
 - Heavy-duty security build

Placement Process & Benefits

Step 1: Location Evaluation

Step 2: Contract & placement approval

Step 3: State & County Licensing Approval (per location)

Step 4: Machine delivery & installation

Step 5: Live operation & monthly \$\$\$

Installation can be done in under 30 minutes.

No Cost, No Work, No Worries

Your benefits:

- Zero fees
- Zero maintenance
- Zero staffing
- Zero involvement
- Zero interruptions to your operations

We install → operate → maintain.

You get paid → every month.

NO COST, NO WORK
NO WORRIES
