## REMEMBERING ANDY

Andrew Reese was a compassionate, selfless and determined 16 year old student from Shrewsbury High School. On December 7, 2010 Andrew got into a tragic car accident and sadly passed away. His parents Darrell and Lisa Reese were devastated about the loss of their son. They wanted to honor their son for his time here which resulted to the non-profit organization that we know now to be Andy's Attic. Andy's Attic first started in the house of the Reese's family then later relocated to South High in 2013. The goal for Andy's Attic was to be able to provide clothes for young teens all over the Worcester County. Christine Foley; President of Andy's Attic was asked to take over and has been helping run Andy's Attic ever since. With Andy's Attic we remember the life of Andrew Reese.
