Children's Liturgy

After this weekend, our Children's Liturgy in St James the Less at the 11am Mass will take a break for the summer. In St Peter's, the Children's Liturgy at the 9am Mass finished last weekend for the summer. The Children's Liturgy will begin again in both churches in September. Many thanks to the kind volunteers who make this possible each week for our children and families.

Journey in Faith

Our Journey in Faith Group will now break for the summer. We will begin again in September. Many thanks to all who have come along so far to learn more about the Catholic Faith and to enjoy the company of others who are also looking to deepen their knowledge of the Faith.

Leavers' Masses

All of the School Leavers' Masses, in St Joseph's and St Peter's Primaries, St James the Less Primary and All Saints High School, have now taken place. Many thanks to the children and staff. As the academic year now ends, we wish all of our children and staff a very happy summer break and we pray that they will return safely to us in September renewed and refreshed. A special thank you to Canon Lupton and Canon McBride for their involvement in the final Masses in St James the Less, and to those kind parishioners who helped with the BBQ for the Year 6 children in St James the Less. Congratulations to the Year 6 children from St Peter's on the success of their summer show 'Aladdin' to which I was invited this past week, and which took place in the church hall.

Congratulations All Saints

I want to offer our sincere congratulations to our High School, All Saints, for a successful Section 48 Catholic Inspection. I encourage everyone to read the report which you can find on the school website or Facebook page. When I met with the inspectors, they were obviously very impressed with the work going on in our High School around the Catholic life and mission of the school. Well done All Saints! We are very proud of you.

Suggestions Box

For me, the month of August is always a little quieter in the life of the Parish, and I always find it a good time to reflect on how things are going in the Parish and fresh ideas for September. It is now over three years since I arrived, and we had to undertake the consultation process for amalgamation of the Parishes and the change in Mass times. When I look back over those three years, I feel Our Lord has done a lot for us as a Parish during that time with our willingness and cooperation, but of course there is always more to be done. I would like us to think especially over the summer about how we can engage our children and families from the Primary Schools and also our young people from our High School, but I am sure there are many other areas of Parish life that parishioners would like to see developed. In particular, I am always thinking of how we can help those families who live at a distance from either of our churches in the former Parish area of St Joseph's, Stacksteads which is now part of our large Parish. Next weekend, I will place a 'suggestion box' at the back of the church so that parishioners can place any suggestions for future development or any changes they would like to see going forward.
