

Exhibit A: Continuing Education Hours

Application for Diplomate, American Board of Craniofacial Dental Sleep Medicine

Candidate Name:

Date:

Candidates for “Diplomate, American Board of Craniofacial Dental Sleep Medicine” status must submit documentation of completion of at least 50 hours of earned dental Sleep Medicine continuing education credits. Credits may include lecture and participation courses offered by AGD PACE and ADA CERP approved providers. Up to (10) AMA PRA Category 1 credits may also be counted as part of the required 50 hours. Please document satisfaction of this prerequisite by completing the table below. **Attach additional sheets as needed.**
