KEY FACTORS THAT MAKE US OUTSTANDING

MARKET ANALYSES AND PRICE BENCHMARK

Thorough market analyses in ferrous and non-ferrous scrap enable us to keep ourselves, scrap yards & clients updated. We are committed to maximizing values for our partners.

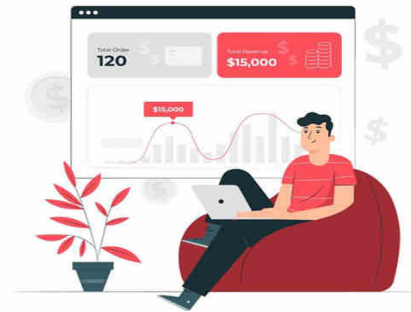

LONGSTANDING RELATIONSHIPS

Our longstanding relationships with ferrous foundries, mills, and refineries. Our scrap yard partners understand this. We believe in long-term and responsible approach to our business.

CONNECTED WORLDWIDE

Based at the epi-entre of the largest metal consumers in the markets with an opportunity and are able to tap into the mega network of buyers in its close proximity.

SECURE PAYMENTS

We believe reputation is everything. We consider our reputation to be among our most valuable assets as it has enabled us to establish a significant presence in the industry.

STREAMED & TIME SAVING TRADING

Time saving procedures for buying scrap metal. Our unrivalled view of the global scrap market enables us to provide you up-to-the-minute information to make informed decisions.

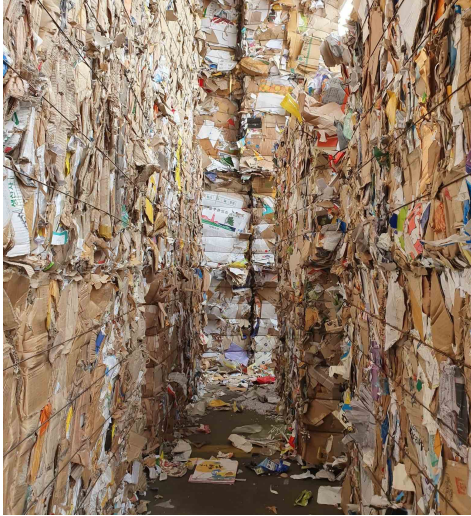

LOGISTICS

Our logistics team works closely with our shipping partners for most cost-effective shipping. We are committed to finding best delivery solutions to benefit the needs of your business.
