The 2023 Long Island Futsal League season concludes this weekend on March 5, 2023, and I want to take this opportunity to express my appreciation to all the teams, players, parents, spectators, and referees that made this first post pandemic season a remarkable achievement. Players traveled from as far west as the Bronx, and from as far east as Montauk as well as over 130 towns & hamlets in-between to participate in the league. Thank you and have a successful outdoor season!
