ACCU-PURE BEESWAX

AccuPureWhite Beeswax is filtered for purity and the color has been naturally removed .preserving t
 AccuPureYellow Beeswax is filtered for purity, the natural color and aromas of honey are preserved.

Beeswax candles are naturally scented with the aroma of honey. This is highly desirable for those
 asthma or is allergic or sensitive to beeswax candles as emit smoke when they burn keeping your
 home cleaner and more comfortable. Besides the smoke, beeswax candles burn with little or no wax
 last longer.
