ACCU-PURE® BEESWAX

Accu-Pure® White Beeswax is filtered for purity and the color has been naturally removed preserving the aroma. Accu-Pure® Yellow Beeswax is filtered for purity while the natural color and aromas of honey are preserved.

Beeswax candles are naturally scented with the aroma of honey. This is highly desirable for those who suffer with asthma or is allergic or sensitive to smells. Pure beeswax candles as emit little smoke when they burn keeping your home cleaner and more comfortable. Besides the smoke, beeswax candles burn with little or no wax drip making them last longer.

Physical Properties	ASTM Method	Specifications
Melting Point (°F)	D-87	144 -147
Iodine Value		8-11
Acid Value		17- 24
