ACCU-SPA® 120 PARAFFIN WAX

Accu-Spa® 120 Paraffin Wax is made from a white, soft, and fully refined paraffin wax with a 120°F melting point. It is a formulated therapeutic, cosmetic, hypoallergenic, and food-grade spa wax that complies with both USP and FDA requirements. It is the most fragrant and relaxing paraffin wax for therapeutic treatment in the market.

Accu-Spa 120 line includes: Lavender, Peach, Vanilla, Aloe Vera, Gingerbread, Wintergreen, or Unscented. The packages of Accu-Spa 120 are available in 1 lb polyethylene bags. The custom colors, botanical oils, fragrances, or packing patterns are available for your private labels.

Physical Properties	ASTM Method	Specifications
Melting Point (°F)	D-87	119-121
Kinematic Viscosity @210 (°F)	D-445	3.1 cSt
Oil Content (wt%)	D-721	0.5
Needle Penetration @ 77 (°F)	D-1321	18 dmm

Outstanding Feathers

Accu-Spa 120 has both cosmetic and therapeutic benefits. Cosmetically, it is often applied to the hands and feet. When applied to the skin, it adds moisture and continues to boost the moisture levels of the skin after the treatment is complete. It can also help open pores and remove dead skin cells.

Accu-Spa 120 acts like a form of heat therapy and can help increase blood flow, relax muscles, and decrease joint stiffness. It can also minimize muscle spasms and inflammation as well as treat sprains. It can be used to help relieve pain in the hands of people with osteoarthritis, rheumatoid arthritis, fibromyalgia, and other joint mobility issues.
