BULL SALE

Thursday April 16th, 2026 @ 1:00pm MST
Clyde AB - North Central Livestock Exchange

WELCOME

Welcome to the Gomack Red Angus 2026 Bull Sale Catalog.

We would like to sincerely thank our past and returning customers for your continued support and confidence in our program. Your trust means a great deal to our family, and we are truly grateful to work alongside so many dedicated cattle producers.

With continued strength in the cattle market, we remain focused on producing practical, reliable genetics that work in real-world conditions. Each year, selecting the bulls to retain and the bulls to offer is a thoughtful process, as we strive to present a group that reflects the direction and values of our program.

At Gomack Red Angus, we place strong emphasis on balanced EPDs along with functional traits that matter — calving ease, performance, and sound maternal ability. Our goal is simple: to raise cattle that contribute positively to your herd and add long-term value.

As demand for quality genetics continues to grow, choosing herd sires requires careful consideration. We are committed to making breeding decisions that prioritize consistency, longevity, and steady improvement.

We appreciate your interest in our program and look forward to working with you.

Thank you.

The Gough Family
