CREATE THE PERFECT GETAWAY

Travel back in time to one of the world's most visited cities, where iconic attractions blend with innovative art, imaginative culture and good times. London is home to a bevy of English bobbies, avant-garde fashion, double-decker buses and pubs filled with "football" fans. From the Tower of London to Abbey Road, England's capital is a Dickens of a place.

London has 32 districts, each with its own personality. Notting Hill's pastel-colored houses and thriving markets make it one of London's most popular Instagrammable areas. And, Covent Garden and Strand are the liveliest areas for outdoor cafes, street artists and markets. Situated in Bloomsbury, The British Museum collection totals at least eight million objects across more than 60 galleries, and is one of the largest international museums in the world.
