Description:

Private Tour Arenal Volcano, Fortuna Waterfall & Baldi Hot Springs:

Located in the northern lowlands of Costa Rica, the impressive Arenal Volcano is a National Park that attracts thousands and thousands of tourists due to its beauty and recent past volcanic activity. Back in the '80s, the volcano was very active, but now has reduced its activity and we could say that it has entered a period of calm. However, the beauty of the Volcano and the surroundings are just spectacular. Once in La Fortuna Town, a sightseeing tour will show you the highlights of the area and its rich diversity of tourist attractions, ecosystems, the lake, culture, customs & traditions of this emblematic town of Costa Rica.

The La Fortuna Waterfall is one of the best things to see when you come to the Arenal Area! You will love the hike down to this waterfall near the town of La Fortuna because you can see all the natural beauty of the rainforest as well as the birds and wildlife that live there. Once you arrive at the La Fortuna Waterfall, prepare to be blown away by the beauty of this impressive waterfall near the Arenal Volcano! You will also be able to swim and take amazing photos!

Later, you will relax in one of the best thermal water places in the area: Baldi Hot Springs. At Baldi Hot Springs you will find an endless dreamed stay, where the natural environment, colorful natural gardens, therapeutic waters, pure air, and our care combine in a perfect state; the dream came true. The unique frame where your experience turns into the most unforgettable one. Here you will enjoy multiple thermal pools, a giant steam room, luxury pool bars, Giant water-slides, relaxing areas, and much more.

Free time for enjoy the beautiful Manuel Antonio beach and the hotel facilities. Explore Manuel Antonio on your own.

Ultimate Canopy & Crocodiles Safari Tour: Carara Adventure Park is a privately own reserve with 80 acres of rainforest and stunning views of the Pacific Coast, Carara National Park, and Puntarenas City. The Zipline tour begins with an orientation chat where the rules and regulations for safety and security are explained thoroughly. After instructions, the groups will be transferred to the top of the mountain by a modified open truck where the zip line begins. This zip line includes 12 Cables, 15 Platforms & 3 Hanging Bridges. The longest cable is 1.200 feet long and the highest point about 100 feet.

After this great adventure flying around the treetops, our tour will continue with a short drive to Tarcoles River, where a 60 minutes eco boat tour will allow you to enjoy the abundant wildlife of the area, including the huge crocodiles, multiple aquatic birds, scarlet macaws, howler monkeys, and other amazing tropical species.
