

Nurturing Young Spirits Through Books

Celebrating the Launch of Children's Church

We're excited to welcome our youngest learners as we launch Children's Church and invite families to continue the learning at home with two wonderful, age-appropriate books now available in the bookstore.

B is for Breathe - \$10

Dr. Melissa Munro Boyd

Teach children the gift of slowing down, taking mindful breaths, and finding calm in everyday moments. Through gentle language and relatable illustrations, this book encourages emotional awareness and self-regulation while nurturing inner peace.

Planting Seeds That Last a Lifetime

The books we place in a child's hands can shape the way they see themselves and the world. These inspiring titles offer meaningful conversations about spirituality, mindfulness, and the power within each child.
