Portfolio Management, [Dutch Pension](#)  
Clearing, [ABN Clearing](#)  
Trading, [Dutch Insurance](#)  
Trading, [Dutch Treasury](#)  
Trading, [Dutch Bank](#)

A discussion on how repo and securities lending are evolving within an increasingly clearing-driven European landscape. From government bond liquidity and balance-sheet constraints to margin dynamics and access models.

15:20 **PANEL 2: COLLATERAL & MARKET EFFICIENCIES**

**Sander Baauw**, Senior Sales & RM, [Euroclear](#)  
XXX, [Dutch Metals](#)  
XXX, [Dutch Water Works](#)  
XXX, [Dutch Asset Manager](#)  
XXX, [Dutch Bank](#)

An exploration of how collateral management sits at the centre of both traditional and emerging market infrastructure. As tokenisation, digital settlement, and programmable workflows develop, the panel will examine what translates cleanly from TradFi, what requires discipline, and where governance and custody remain critical..
