When this issue goes to press, Nationals will have already happened. I'm excited to see that there is a good showing for this year's Nationals, with nearly as many youth as open entries. Although Nationals is earlier than usual this year, we will retain the usual schedule for featuring BOB winners in the Fluff. This issue is Youth Convention BOB; Summer issue will be Open Nationals BOB, and the Fall issue will be Youth Nationals BOB.

Upcoming dates to be aware of are the Scholarship due date of April 1. Any youth in their senior year of high school may apply for a \$1000.00 scholarship by following our application guidelines which are available in this newsletter and on our website. Scholarships are given out to youth going on to any form of secondary education, whether that be college, trade school, or another type of higher education. The scholarship form included in this issue contains all of the information about what needs to be submitted. Please send all application materials to our Secretary by April 1. The Secretary's email is NJWRCsecretary@gmail.com.

This year's club elections will feature even numbered District Representatives, Vice President, and Secretary positions. Candidate Nominating Petitions, biographies, and photos are due in by May 10. If there are any questions about the positions, or how to run for office, please do not hesitate to ask any of our current board members. Our Secretary, Alex Williams, will be happy to send a nominating petition to anyone who wants to run for positions on the ballot, and you can also find that on our website or in this Fluff.

March 1 is the deadline for any specialty club wanting to host 2025 Nationals. Application forms can be obtained from our Secretary. I would be happy to answer any questions any of you may have regarding hosting Nationals.

Hello everyone!

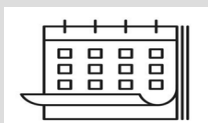

I hope this article finds you well with nest boxes full of babies. I am writing this on the eve of Nationals here in Louisiana, and I am super excited to see old and new friends soon. Don't forget to get those bids in for Nationals in 2026 by March 1st!

If you are a high school senior don't forget to get your application in for the scholarship as well as your letters of recommendation. Please send them to me at njwrcsecretary@gmail.com so I can forward them to our Youth Committee. The due date is April 1st.

In addition, if you, or someone you know, would like to become more involved with the club, consider running for a position on the board. Those petitioning for office must be a NJWRC member for two or more years and be a member in good standing. Positions up for election this year include: Vice President, Secretary, and all even numbered Districts. You can print the Petition for Office from the form section on our website, jerserywooly.org, or you can also find it in this Fluff. Petitions are due by May 10th. Please fill the form out and return to me.

Well folks, I think that covers pretty much everything you need to know for the next couple months. However, if you have any questions or concerns please let me know. Until next time everyone, may your nest boxes be full of babies and hopefully a Golden Fleece Auction rabbit for convention.

Hello District 1 members!

I hope all is well and that your nest boxes are full and coats are prime. As we get closer to spring, I am finding myself getting excited about future litters and planning breedings that will hopefully produce my next show string. Most of us understand the excitement of finding that baby that catches our eye. I think that excitement helps motivate all of us to continue showing and looking forward to putting animals on the table.

Our district has many amazing breeders that I look forward to seeing at each local show. The support and camaraderie I've experienced has made showing even more enjoyable. As the show season continues I hope that we will have more to share, but I look forward to seeing the beautiful animals that our members produce and share with each generation.

By the time you all read this, Nationals will be a memory. I hope everyone had a wonderful time with safe travels and your goals were met. Sadly, as far as I know, there were no District 2 members who were able to attend. Personally, I hope to be able to show at Nationals in 2025.

Jersey Woolies have had some success on the tables recently. We've also had a good number of animals entered and more exhibitors than normal at a few shows. YAY!!! On 11-25-23 in Merced, CA, Carla Morrison won her first Best in Show (first of many I'm sure) with her Agouti Sr Buck, Pienta's Cheddar Bratwurst. Cheddar won BOB under judge Allen Barr and BIS under judge Misty Polasik. He is bred by Mallory Pienta. On 12-16-23 Amber Henderson's broken Sr Buck, Wonder's Johnny Lingo, won BOB under judge Tonna Thomas and went on to win 2nd BRIS under judge Lauralee Erbe. This show was held in Santa Maria, CA and was very festive with its Christmas music and decorations.

As I close this report, I'm sending you all my best wishes for a peaceful Spring with full nest boxes.

Hey, everyone!

I hope all have recovered from the National show in Louisiana we just had. I know our weather down here was not consistent, causing many of our animals to blow coat for the show. I enjoyed getting to see and visit with everyone as usual, and I hope to see everyone at the upcoming show in Belton, TX.

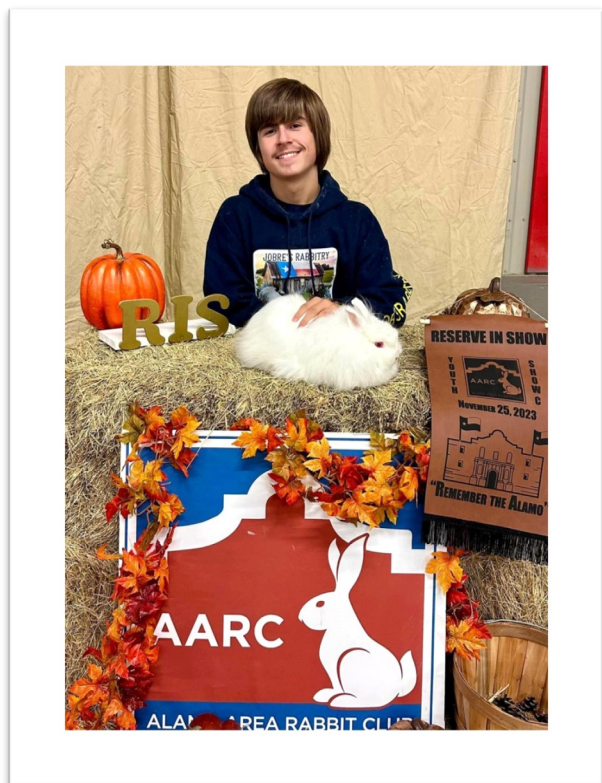

In other news, our youth numbers are steadily increasing along with our open numbers, so I would like to thank everyone for helping contribute to that.

If anyone has any questions, or photos they would like to share with me, please email me at toptierfarms2012@gmail.com.

Hello District 5:

I hope you all have had a good winter! Spring is a great time to start thinking about Convention! Fill those nest boxes!

We have a lot going on in our district. The Sunflower Jersey Wooly Club will be hosting the 2025 Nationals in Hutchinson, Kansas. They need our support to pull this off! We will be hosting specialty shows, having raffle tables, and an online auction. It's really nice to have a Specialty Club in our district because, when they host a specialty show, that gives us more opportunities to show our beautiful Woolies! Anything you can do to help will be greatly appreciated.

The Bunny Bunch Club had a nice show in Manhattan, Kansas Nov. 24 & 25. Biggest turn out of Woolies they have ever had!

Hello Friends,

We are well into winter as I write this and a few weeks away from Nationals. I hope everyone had a safe trip to and from Nationals.

I want to remind everyone to hold back one of the rabbits you would sell this year for the Golden Fleece Auction. Take pictures of rabbits around now when they are in coat so when the solicitor for the GFA needs pictures, you have a nice photo of the rabbit in coat versus a molty mess photo. The Golden Fleece Auction is the largest fundraiser for our club. It brought in a total of \$3,475 for our general fund. The two rabbits donated 100% to the youth scholarship and the donated grooming plus the proceeds from the trio raffle brought in a total of \$2,767 for the funding of the youth scholarship. Please keep in mind, if you are a senior, Scholarship Applications are due by April 1st, 2024.

The silent auction at the Louisville convention banquet did very well. I am happy to report that the club made \$1,275 on the silent auction. I hope to see this continue. It was a lot of fun. Thank you to all that donated items for this raffle, and I hope next year we can exceed what was brought in at the last convention. Are you up for the challenge? The theme for this year's convention is The Greatest Show of the Century, kind of like a under the big top. So put your thinking caps on now to come up with some great ideas.

How to better the breed. We all should be breeding to better the breed, to breed as close to the standard of perfection as possible. We need to get better at culling out the genetic issues within our breed. What I have seen are mismatched nails, white nails, scattered white hairs, white spotting gene, silvering gene, wrong undercolor, wide band, and some various others. When our breed was first created, white nails were problematic. I feel that mismatched nails are still an issue within our breed. They usually show up in dilutes. It can break your heart to love the type on an animal only to have to cull it for nail color. Many people will not even keep dilutes due to this issue. If we were all to cull hard for nail color eventually, over time, nail color would no longer be an issue. Breeding to a broken should not be the answer. Breeding to a broken, the issue is still there. Another issue is the wrong undercolor. Opals are not seen too much on the show table in our breed due to the fact many have the wrong undercolor, or poor nail color. Just because judges do not catch this issue, we as breeders should be culling them out of our herds. Please, please, please do not sell them. Selling them only puts your problem onto another breeder.

If you have any ideas for changes, general questions, or just want to chat bunnies, please do not hesitate to reach out to me.

I hope with the spring shows gearing up everyone has safe travels to and from shows and has an enjoyable time showing.

May your nestboxes be full!!!!

I want to start off by thanking all of our amazing Jersey Woolly breeders for their friendship, dedication to the breed, wonderful FRIENDLY competition, and amazing support of each other. It has been such an amazing ride over the past 13+ years and it wouldn't have been nearly as fun without all of you! I can't wait to see where we all go from here! We have an insanely talented and dedicated crew who can accomplish anything when we put our minds to it.

Over the last year, I have noticed a HUGE emphasis put on helping each other, especially the JW Youth. This warms my heart to see so many people truly trying to help their fellow breeders and help grow our breed. No one person can do this on their own and our JW Family Village is the BEST! The more we work together, the better our club will be. Keep up all of the great work, but remember to have FUN while doing it. :)

I am so excited to be heading to JW Nationals in West Monroe, LA with Cody. I hope to see a TON of you there!! The club running the show has been working like crazy to give us a fun and memorable event and I can't wait for all of the awesome memories that will be made there.

A Matter of Ethics

By Amber Henderson

A Matter of Ethics
Truth and Consequences
By Amber Henderson

A consequence is something that logically or naturally follows an action or condition. Consequences can be positive or negative. As breeders, let's consider which we choose for ourselves and others.

Years ago, a few friends and I were generously invited to visit the rabbitry of a breeder who was raising rabbits in another part of the United States. We excitedly accepted the invitation and were grateful for the opportunity to learn something about raising rabbits in a climate different than our own. During our visit, we tried to absorb as much information as we could glean as the breeder led us through the examination and explanation of their unique setup. The rabbitry was neat and clean, and we admired the ingenuity of the breeder who used both modern and very old technology to create an environment in which their rabbits could live comfortably.

As we toured, my companions and I were naturally excited to look over the various breeds of rabbits housed there. One specific rabbit became a topic of conversation when it was discovered to have a simple malocclusion. Ever curious and eager to learn how other breeders handle common challenges, we asked what the breeder did in this situation and what outlets the breeder used for their culls. "Oh, I see that all the time. I just sell them as pets.", replied the breeder.

During the discussion that followed, my friends and I talked about how we managed our own rabbitries. We described what we did to trim maloccluded teeth and the humane options we turned to if the problem could not be easily corrected. We talked about the kind of rabbits we let leave our barns and which ones we do not. We shared the outlets each of us had available for any terminal culls.

Between the four of us, we had a good discussion and the breeder thanked us for some bits of information. We talked about many other things during the rest of our visit together and thoroughly enjoyed nerding out about all things rabbit related.

A few years later, I found myself back at the same breeder's barn to pick up rabbits for transport to the ARBA Convention. In discussion, I found they were still selling rabbits with malocclusions as pets. At the same time, one of my traveling companions noticed that one of the bucks intended for transport was spinning in circles, head tilted to one side, inside its carrier. After we pointed this out to the breeder, they responded with "Oh, he just likes to do that for fun. He's playing" and then quickly moved the rabbit into one of our transport carriers.

I think this is a good place to stop. Talk amongst yourselves about the positive or negative consequences that might come from the decisions of the people involved in this story. How do those decisions affect the individual? Do those decisions affect anyone else? What about the animals?

Are you curious how the story ends? For that, you'll need to tune in next time for the conclusion of "Truth and Consequences"!

2023 ARBA Convention

Youth Jersey Wooly

Best of Breed and Best of Group

Cody Landis

Convention was so much fun this year, getting to hang out with all of our friends in Louisville! Winning Youth BOB with AFB's Panda Bear was such a huge honor and was only surpassed by the honor of winning Youth Group 4 in Best in Show! It was a dream of mine to try to win a Group or BIS at convention with Panda and that came true this year. Like always, Panda celebrated by chewing the strings off of my sweatshirt. LOL!

Panda (or PB as we call him) is one of those "once in a lifetime" kind of rabbits. He is awesome and yet so sweet and snuggly too. Panda currently has 60 legs with a bunch of BIS, RIS and BOBs in Open and Youth. He was also the Youth BOB at the 2022 Convention in Reno, Youth BOB at the 2023 JW Nationals in Ohio, BOSB at the 2021 Convention in Kentucky, and the Youth Best Junior at the JW Nationals in Louisiana. He is the kind of rabbit that we dreamed of for years and we still can't believe that he is one of our homebreds.

Panda comes from a breeding that combines Allstar's lines and our old shaded/self lines. His sire, Allstar's Leo, is a great broken black buck that has 11 legs (2 BIS & 3 BOB – 1 of them was Youth BOB at JW Nationals in Louisiana). We can never thank Julie & Lindsay Aversa enough for letting us buy him a few years ago. He and his offspring have become the backbone of our Broken, Shaded, Self, and Tan Jersey Woolies. It is true how one amazing rabbit can make such a huge difference in your herd.

Panda's dam is a big blue brood doe named AFB's Charmaine, whose pedigree includes AFB's Zeke, Fuzzyville's Show Me Off, and Fuzzyville's Broken Tear. She may not be much to look at, but she is solid and has produced most of our best rabbits.

Panda, his dad Leo, and his siblings have been very prolific breeders and it is hard to find a rabbit in our barn that doesn't have their lines in their pedigrees. We have also been trying to spread his genes around to as many breeders as possible and love to hear how his kids and grandkids are doing for their new owners.

I wanted to say Congratulations to everyone that showed at convention. Congrats to Makayla Wallock on winning Youth BOSB with her beautiful Pointed Black Sr Doe "Nala", Congrats to Maddie & Michelle DeSelm on winning Open BOB with your gorgeous Broken SR Buck "Link" and Congrats to Lori Robisciotti on winning Open BOSB with your stunning Shaded SR Doe. As always, there were soooo many nice Jersey Woolies there.

2023 ARBA Convention Youth Jersey Wooly Best Opposite Sex Makayla Wallock

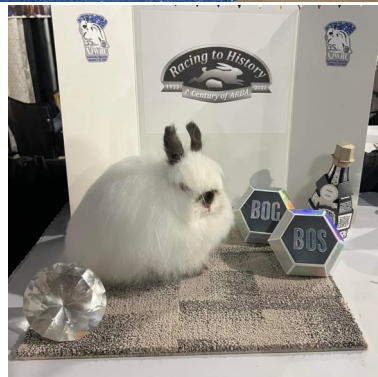

Pinch Me! What an honor for Wallock's Woolies Nala to be named Best Opposite of Breed at the 100th ARBA Convention. I brought a small tribe of Jersey Woolies to the 100th ARBA Convention. It consisted of five jersey woolies, all of which were homegrown. Two were younger juniors, too. So, I was very happy with all my placings.

Nala is a very special doe. She is well balanced, has great point color, and a wonderful coat. She knows her job while on the show table and she loves doing it. She will strike a pose and show herself off. She is a little princess as we found she travels best in a carrier all by herself. And, of course, it is a Best In Show carrier that she won in her showing career. If it is a long trip, she enjoys coming out to "lap ride", to look at the scenery and get extra snuggles during our travels.

Nala's BOS win at the 100th ARBA convention is added to her multiple BIS winnings, a BOS win at the 99th ARBA Convention, and a BOB win at the 98th ARBA Convention, my very first ARBA Convention. The 100th ARBA Convention is only the third Convention I have attended, so returning to Louisville, and Nala bringing home another win, was truly a very special day. She also won Best Overall Wool too! She is one special little lady and my heart rabbit.

Seeing friends and being able to spend time with them also makes ARBA Convention special. Lots of smiles and laughs are always great! It makes all the long days totally worth it and then some.

I've been busy breeding away, especially with my AOV's and I am already looking forward to this year's ARBA Convention. I wish everyone the best of luck with their nestboxes. Here's to spring and lots of babies!

Hello All!

I hope you had an excellent Christmas and a Happy New Year!

The NJWRC National Show is complete. Attending a national breed show is an experience I hope all breeders can experience at least once, if not more, in their rabbit breeding careers. Meeting and interacting with breeders from across the country is an amazing opportunity. I extend my Congratulations to those JW breeders who were successful on the National show tables!

Since I have the opportunity to work with so many photos that get sent to the club, I want to share some photo dos/don'ts with you for better pics of your smiling faces and beautiful bunnies.

- ◇ You are obviously focusing on the person and the rabbit. Pay attention to what is in the background. You don't want to distract from your subject.
- ◇ Do not take a photo with a window in the background. It creates glare and diminishes the clarity of your picture. Any light source should be behind the photographer.
- ◇ Focus on your subject. Make their face or upper body fill your shot. Don't take pictures of the ceiling or peoples' legs. Focus on upper bodies, faces, and the bunnies.
- ◇ If you are sending pictures to the club, make sure they are in focus, not blurry. We want to see your faces and your beautiful bunnies!
- ◇ Keep your camera lens clean. That prevents blurry photos as well.
- ◇ If you are trying to include the bunny, exhibitor, judge, and award in the photo, that can be a lot for one, clear shot. Think about taking two or three photos instead. . .the judge, exhibitor, and rabbit; the rabbit and awards. Don't try and include too much in your shot. The more you include, the wider your shot needs to be. This makes faces and bunnies pretty small and you lose clarity and detail.

I hope this helps you take great photos of your hoppy memories!

Hello NJWRC members!!

We're about half-way through the season already and I'm still caught up! (this might be a record!)

These points include all shows dated 6/2023 thru 1/2024 for which reports were received in good order prior to 2/13/2024.

Right now, I only have a few 'concerning situations.'

*Central Coast RC, triple open, 12/16/23, Santa Maria, CA: reports were received for all 3 shows, however, I believe I'm actually missing the wool placement information for all 3 shows. I went ahead & entered the 'regular' points & they're included here, but wool isn't included. I've emailed Linda Bell several times at every email address I have for her – no response as yet. I don't have a phone number for Linda.

*Riverside Co RBA, 2 of 3 open shows on 12/30/23 in Costa Mesa, CA: reports were received for all 3 shows, but I only got wool placement information for show B (my # W1548-O3A). I'm quite sure I'm missing the wool placement information for shows A & C (my #'s W1546-O3A & W1550-O3A). I've emailed Linda Bell at every email address I have for her without any response (I even emailed her Himi Club address). If you run into Linda, tell her I'm needing to hear back from her. As with the Central Coast RC shows above, 'regular' sweepstakes information was processed & is included in this report.

Both Central Coast RC & Riverside RBA shows with issues are on the included shows listing as well as the regular sanctioned shows listing with big red notes in the comments section regarding this (bright green fill color).

Overall the season has been (mostly) smooth sailing!

Until next time!
