Golden Fleece Auction Day – Trio Rabbits

1. The show committee and the auction committee will work together in getting the auction & Trio animals in the show coops for inspection and auction.
PLEASE ONLY ZIPTIE YOUR GFA/TRIO RABBIT'S CAGE ON SUNDAY NIGHT SO THAT WE CAN ACCESS IT FOR DQ INSPECTION ON MONDAY.
2. The animals will be in the show coops 1 hour and 30 minutes before the auction so that they may be inspected for disqualifications.
3. Once inspected and buyers notified of any issues, the auction animals will be available for inspection by buyers for 30 minutes.
4. Trio animals will be put into an auction coop with pedigree laying on top/nearby for members to view during the Golden Fleece Auction.
5. A returned check will incur a \$30 NSF fee. Failure to make good on the NSF check can result in the member being suspended from the NJWRC club.
6. All buyers are responsible for determining transport for animals purchased in the Trio.

Trio Tickets:

1. Online Trio tickets will be on sale until Monday 11/17 at 8pm EST.

2. We will have Trio tickets for sale at the NJWRC Awards Banquet for those of us who want that last minute lucky ticket. 😊
3. The winning Trio ticket will be pulled at the NJWRC Awards Banquet on Tuesday evening 11/18. The winner will be notified immediately if they are not in attendance at the NJWRC Awards banquet.

Note: The Auction Committee is made up of volunteers that want to make the "Golden Fleece Auction" and Jersey Wooly Trio a success. Success can be viewed in many different ways. The ultimate goal of this Committee is to improve the quality of the auction animals so that members may have an equal opportunity in purchasing quality stock from other breeders. Having a good time while doing this is just a benefit we can all share in promoting the Jersey Wooly rabbit.

SNUGGLEBUN'S SPIRITS

Black Otter SR Doe (not proven)

We are in love with this rabbit! So far, the judges say she is amazing – just waiting for her coat to come in. It is very difficult to put her up, as she was to be our keeper. We didn't have another doe to offer up (so we thought). She will be a great asset to your program. She is typey all around. Our loss is your gain. Carlie and I wanted to pay forward all the love and support the club have to us.
