OCTOBER 28, 2024
LOUISVILLE, KY

Only Youth can bid on these rabbits.
They will be auctioned after the Golden Fleece Auction is complete.

Barnwood's Sunday

Broken Siamese Sable SR Buck (Proven)

DOB: 10/18/23

Ear # N81

Sunday is a beautiful buck. He has a nice wide shoulder, a good top line, great coloring and a big buck head. He had limited showing since we have several bucks that we are putting on the table at the time, but the comments were all very good. He is a good breeder and we have several babies that we are excited to start showing. Sunday would be an asset to someone's barn.

Bluestar's Castle

Black Otter SR Doe

DOB: 11/23/23

Ear # 160S

Castle has good wool structure, not fuzzy and non-matting. Her head looks better normally than in the photo as she is putting her coat back on right now. She is very short. I like her overall top line. I would give her a little bolder of a head. She has 1 leg.

Wool-F-Pack's Carl

Red-Eyed White JR Buck

DOB: 5/15/24

Ear # WPCCL

Wool-L-Packs Carl. This guy is out of my #2 Rabbit of the Year buck Dean that has approximately 50 legs. His Dam is the same breeding as my 2023 GFA donation Wool-F-Packs Tonka. He does probably carry non-extension. He has great texture coming in and good substance. He has a strong shoulder and is full to the table with good width throughout.

Allstar's Ivory Rose

Red-Eyed White SR Doe (Proven)

DOB: 8/10/23

Ear # LIR3

Allstar's Ivory Rose is the third out of a litter that we kept three out of. Two of which are on our show string. She is a nice brood doe. She is showable, but not as wide as her siblings. She did throw nice babies. We bred her to prove her and kept 2 out of the 3 babies. She throws better than she is. She will be exposed to a buck and palpated at convention.
